Forgotten The Forgotten Book 1

In the final pages the
book takes a turn that
makes me wonder how
any of the first portion
could ever have
happened in the first
place. I guess book two
will elaborate on that;
however if the plot is
as linear and simplistic

as in this book I won't be reading it. It feels a lot like "LOST".

Perhaps a cynical attempt to very more money by making it 2 or 3 books instead of one decent book. Just one of the reasons this author will never make the big time. Too short
Incomplete Lacks coherence Inconsistent Interesting concept Refreshing characters.

Forgotten (The Forgotten, #1) by M.R. Forbes

4.5 Stars I had enjoyed Ms. Gläser's debut, The Book Jumper, but The Forgotten Book was even better! The writing was solid and the story was riveting. Who wouldn't love a

book about a book making things come true? The Forgotten Book was engaging with mysteries that paced the story.

This was an Amazon recommend. I read the blurb and it sounded my type of book. The name of the village, was not familiar though. I googled it

and read all about the REAL village. I then bought the book. First of all this is what I call a THEN and NOW book, THEN being December 1943 now being July 2018 Each story has a love triangle.

"The Forgotten Mission: The Return" is an excellent debut novel from author Johnathan Taylor. This book is fully formed, well-researched, and clearly thought out with a complex, engaging plot and an exciting narrative structure. The writing style is highly readable and it makes the book a really fun read.

An interesting initial premise (generation ark ship gone long past it's destination and colonists who have forgotten where they are going or how to run the trip). But after a just a few chapters it's clear that NONE of the characters will be given any dimension or complexity, and the

plot was never given any details.

Forgotten (The Forgotten Book 1)

The Forgotten is a 2004 American science fiction psychological horror thriller film directed by Joseph Ruben and starring Julianne Moore, Dominic West, Gary Sinise, Alfre Woodard, Linus Roache, and Anthony Edwards. The film's plot revolves around a woman who believes that she lost her son in a plane crash 14 months earlier, only to wake up one morning and be told that she never had a son.
