Imperial Rule and the Politics of Nationalism Why did colonial subjects mobilize for national independence from the French empire? This question has rarely been posed because the answer appears obvious: in the modern era, nationalism was bound to confront colonialism. This book argues against taking nationalist mobilization for granted.

Imperial and colonial history - Articles - Making History

Imperialism is a policy or ideology of extending the rule over peoples and other countries, for extending political and economic access, power and control, through employing hard power especially military force, but also soft power. While related to the concepts of colonialism and empire, imperialism is a distinct concept that can apply to other forms of expansion and many forms of government.

Imperialism - Wikipedia

The Imperial Rule Assistance Political Association, abbreviated to Yokuseikai or IRAPA, was the political wing of the Imperial Rule Assistance Association and a joint caucus of both the House of Representatives and the House of Peers that existed between 20 May 1942 to 30 March 1945. In Japanese history, the Imperial Rule Assistance Political Association established the "one country, one party" system.

Imperial Rule and the Politics of Nationalism - Purchase now!

Imperial Rule and the Politics of Nationalism is motivated by two empirical puzzles. First, she observes that—contrary to many of the existing accounts [2] —mobilization against the French Empire was—at least at first—not nationalist in content but rather turned nationalist at a later stage. According to Lawrence, many scholars characterize protests for equal rights that did not involve any nationalist claims as nationalist, thus dodging the shift to nationalist content that took ...
