atic because migration, security and the linkage between the two are inherently subjective concepts. They are dependent on who is defining the terms and who benefits by defining the terms in a given way. Although there has been considerable research on the subjects of migration and of security, few studies directly address the linkage between the two.

Migration and Security: Some Key Linkages

The Journal on Migration and Human Security (JMHS) is a peer-reviewed public policy publication of the Center for Migration Studies (CMS). The journal's theme of "human security" is meant to evoke the widely shared goals of creating secure and sustaining conditions in migrant sending communities; promoting safe, legal migration options; and developing immigration and integration policies that benefit sending and receiving communities and allow newcomers to lead productive, secure lives.
