Questioning Islam CreateSpace

Many questions are currently being asked about the place of Islam in the modern world. Among these questions the most important one of all sometimes gets lost: Is Islam true? With his new book author Peter Townsend invites you to accompany him on a journey through the foundational texts of the Muslim religion. In the process the truth-claims of Islam will be respectfully, honestly and impartially evaluated. Along the way

the following questions will be asked: • Can the traditional Islamic historical accounts be trusted? • Is the Qur'an a 'Perfect Book, Perfectly Preserved'? • Was Muhammad indeed a 'Beautiful Pattern of Conduct'? The answers to these questions will not be sought from modern commentaries on Islam. Instead Questioning Islam goes straight to the classic sources of Islam namely the Qur'an, hadiths (traditions) and biographies of Muhammad. Questioning Islam is not an attempt to promote any other belief system or ideology. Its focus is simply on asking the hard questions about Islam that are all too often ignored or swept under the carpet. Simply put, if you have ever wondered whether the truth-claims of Islam can withstand critical scrutiny then this book is for you!

Questions that Islam Can't Answer - Volume One *J.K Sheindlin Publishing*

"Read with great interest and was very impressed by the level of research committed to the project." - Katie Hopkins Productions, Radio DJ for LBC UK - on the author's work. "J.K Sheindlin has done something incredible" - WND Online News - on the author's work. From #1 international bestseller J.K Sheindlin, author of the critically acclaimed and controversial 'The People vs Muhammad', comes the new book series which will equally, and undoubtedly, set the Islamic world on fire... once again. 'Questions that Islam can't answer' is the multipart series which asks the embarrassing questions that Muslims will find impossible to answer. Researched entirely using a wide spectrum of certified Islamic sources, this series turns the tables on the Islamic world, by placing the burden of proof on all Muhammadans. As every Muslim on the planet insists, Islam is allegedly the most perfect and faultless religion which apparently provides the irrefutable answers to

life's questions. In volume one, J.K Sheindlin puts this assertion to the test by asking the most heretical, politically-incorrect and palpitation-inducing arguments that no Muslim will dare answer. Without a doubt, this series will be the ultimate source of embarrassment for the Islamic nation, especially when Muslims will not be able to answer the following questions regarding their 'holy' texts... Why are Muslims and Muhammad going to hell? Why is there no salvation in Islam? Why is there absolutely no proof Muhammad existed? Why has the Quran been corrupted? Why is there no proof Mecca existed in Muhammad's time? Why is there no evidence of Islam after Muhammad died? Why is Islam incapable of progression? Why does Sharia law fail everyone? Why does the oldest Quran negate '72 wide-eyed virgins' with 'grapes'? And much, much more... Factually written, and often humorous, the long list of compelling and unanswerable questions are guaranteed to have your Muslim friends gnashing their teeth and cursing their prophet for years to come. Designed to be an easy read and accessible for people of all ages, 'Questions that Islam can't answer' will provide all the fun and embarrassing facts for all your Muslim friends

actual conversation transcripts, showcasing everyday people asking real questions and getting real answers about Islam. Why This Book is SPECIAL What Would a Muslim Say is a series of books documenting my experiences as an interfaith volunteer. Ever since 2009, I have facilitated dialogue with many different people, answering questions about Islam and addressing misconceptions. This is the first book in the series. My hope is that this can be a small step towards better understanding and harmony. The conversations in these books are real. Some are curious, some are concerned, some are hostile, some are academic, and some are soul-searching. The purpose of this book is to share these kinds of conversations with people who might otherwise not have the opportunity to speak to a Muslim about Islam.
