Chapter 2: Overview The chapter introduces the account and then briefly describes specific asset, liability, and stockholders' equity accounts. The chart of accounts is presented as a way to organize accounts, and the ledger is introduced as a tool for maintaining the accounts.

CHAPTER 2

A "Change in Accounting Estimate Effected by a Change in Accounting Principle" is a change in accounting estimate that is inseparable from the effect of a related change in accounting principle. An example of a change in estimate effected by a change in principle is a change in the method of depreciation, amortization, or depletion for long- lived, nonfinancial assets.
