Scale modelling magazine uses Tamiya models as the starting point for demonstrating more advanced techniques. Covers cars, AFVs, aircraft, and figures. The feature articles are mainly concerned with finishing and super-

detailing the models, rather than kit major conversions.

First: this model requires paint and glue. It is not a toy and is for plastic modelers. The model comes with a very nice painting guide and very accurately molded plastic. I also purchased the Tamiya paints and extra thin cement and a set of sprue cutters: would recommend these to make building the model far easier.
