Share with the class, "In order to figure out the problem and solution, we need to be like detectives and learn to ask and answer questions. Asking and answering questions also helps us understand the story better. I am going to show you how to ask and answer the first few questions, and partway through the story, it will be your turn to ask and answer questions on your own." Start reading You Can Do It! by Tony Dungy to the class. Stop after page 2.

Asking and Answering Questions | Lesson Plan | Education ...

Asking and Answering Questions Children with speech and language delays often have difficulty asking and answering questions appropriately. This is a difficult skill as it requires the child to understand what is being asked, process the question, form an answer, and speak that answer.

Questions Resource Page - Speech And Language Kids

Nomination is often essential in this stage, but the traditional ‘lockstep’ pattern of interaction should be minimised by asking students to ask and answer questions in open pairs across the class and in closed pairs. Student involvement may be increased by asking students to nominate the person to ask the next question (student nomination).
