The Nine Nations of North America is a 1981 book by Joel Garreau, in which the author suggests that North America can be divided into nine nations, which have distinctive economic and cultural features. He also argues that conventional national and state borders are largely artificial and irrelevant, and that his "nations" provide a more accurate way of understanding the true nature of North American society. The work has been called "a classic text on the current regionalization of North America"

America America. by. Ethan Canin. 3.66 · Rating details · 3,409 ratings · 597 reviews. A stunning novel, set in a small town during the Nixon era and today, about America and family, politics and tragedy, and the impact of fate on a young man's life. In the early 1970s, Corey Sifter, the son of working-class parents, becomes a yard boy on the grand estate of the powerful Metarey family.

America America by Ethan Canin - Goodreads

The American is a novel by Henry James, originally published as a serial in The Atlantic Monthly in 1876-77 and then as a book in 1877. The novel is an uneasy combination of social comedy and melodrama concerning the adventures and misadventures of Christopher Newman, an essentially good-hearted but rather gauche American businessman on his first tour of Europe.
