The Early Reformation In Europe

The Early Reformation
in Europe explores
these contrasts and
comparisons through a
series of specially
commissioned essays
by leading specialists
in European history.
These will serve both
as a lucid and clearly

written introduction to the Reformation in different parts of Europe, and as an introduction to recent debates on the success and failure of the movement as a whole.

The Early Reformation in Europe by Andrew Pettegree

The Early Reformation in Europe will certainly interest scholars, but there is a great deal here for the non-specific student too. Lecturers and students concerned with Reformation Studies or European Studies modules within BA or BEd degrees will find these essays a new resource for their present work, and something which may well affect the design and content of future revision of their

courses.'

The Early Reformation in Europe: Amazon.co.uk: Pettegree ...

The Reformation (alternatively named the Protestant Reformation or the European Reformation) was a major movement within Western Christianity in 16th-century Europe that posed a religious and political challenge to the Catholic Church and in particular to papal authority, arising from what were perceived to be errors, abuses, and discrepancies by the Catholic Church.

Reformation - Wikipedia

The Reformation was a split in the Latin Christian church

instigated by Luther in 1517 and evolved by many others over the next decade—a campaign that created and introduced a new approach to Christian faith called 'Protestantism.'

Reformation 101 - The Protestant Reformation in Europe

In the generation that followed Martin Luther's protest the evangelical movement in Europe attracted very different levels of support in different parts of the continent. Whereas in eastern and central Europe the new movement brought a swift transformation of the religious and political landscape, progress elsewhere was more halting: in the Mediterranean lands

and western Europe initial ...

The Reformation - HISTORY

The Reformation became the basis for the founding of Protestantism, one of the three major branches of Christianity. The Reformation led to the reformulation of certain basic tenets of Christian belief and resulted in the division of Western Christendom between Roman Catholicism and the new Protestant traditions. The spread of Protestantism in areas that had previously been Roman Catholic had far-reaching political, economic, and social effects.
