Ralph D. Stacey's main point in *Managing the Unknowable* is that an innovative, creative company needs a balance of set routines for regular, short-term, day-to-day tasks, while also fostering the freedom of "bounded instability," or chaos within boundaries, to create and then respond to demands in the marketplace. Though I work in a non-profit NGO, I found

Stacey's insights to be right on for what I've learned as a director here.
