What is Autumn? Autumn is a third season of the year. Altogether there are four seasons: Spring; Summer; Autumn;

Winter; In some countries like America, autumn is known as fall.

What is Autumn?

Autumn, season of the year between summer and winter during which temperatures gradually decrease. It is often called fall in the United States because leaves fall from the trees at that time. Autumn is usually defined in the Northern Hemisphere as the period between the autumnal equinox (day and night equal in length), September 22 or 23, and the winter solstice (year's shortest day ...
