The Gods of Eden by William Bramley is a relatively old book written in 1989. It is interesting to note that his purpose was to search the origins of human warfare and not to write this kind of book. Something that is supported by the fact that he hasn't written anything else since then. I read the book about 8 months ago.

The Gods of Eden is a well-researched look into human history, and into the phenomenon known as UFOs that has been there with us. Bramley contends in his book, The Gods of Eden, that aliens, via their elite and ultra-secret Brotherhood organizations, are the source of all human conflict. If one really thinks about this, it sounds suspiciously like that old refrain children use when they have done something bad- "the devil made me do it!".
