FRIEDRICH HÖLDERLIN (1770-1843) is considered one of the great German poets, yet his works and reputation are not widely known outside Germany. These pages present some of his best regarded poems, including several chosen from the Late Hymns and from the long years of his insanity. The poems are listed here according to both their English and German titles with links to the corresponding translations.

Friedrich Hölderlin poems translated by James Mitchell

Friedrich Hölderlin was a famous German lyric poet, commonly associated with the artistic movement known as Romanticism. The poetry of Hölderlin, widely recognized today as one of the highest points of German literature, was little known or understood during his lifetime, and slipped into obscurity shortly after his death; his illness and reclusion made him fade from his contemporaries' consciousness - and, even though selections of his work were published by his friends during his ...

Johann Christian Friedrich Hölderlin was a German poet and philosopher. Described by Norbert von Hellingrath as "the most German of Germans", Hölderlin was a key figure of German Romanticism. Particularly due to his early association with and philosophical influence on Georg Wilhelm Friedrich Hegel and Friedrich Wilhelm Joseph Schelling, he was also an important thinker in the development of German Idealism. Born in Lauffen am Neckar, Hölderlin had a childhood marked by bereavement. His ...

Review: Poems and Fragments by Friedrich Hölderlin

POET OF MODERNITY Friedrich Hölderlin has something of a mythical status among thoughtful ('intellectual') circles as a poet who, in his yearning for the old days of Ancient Greece and the gods of old, introduced these themes in his poems, as well as, in the epigrams that start the book, apt commentary on his time which still applies today.

Selected Poems and Fragments by Friedrich Hölderlin

Hölderlin was a poet-thinker who wrote, fragmentarily, on poetic theory and philosophical matters. His theoretical works, such as the essays "Das Werden im Vergehen" ("Becoming in Dissolution") and "Urteil und Sein" ("Judgement and Being") are insightful and important if somewhat tortuous and difficult to parse.
