10 rules of composition all designers live by

Trying to write a review on a book like

"The Photograph: Composition and Color Design" is not an easy task. This is mostly due to the nature of the potential readers, the target audience. Perhaps, I should first handle that: This is NOT a book for those who like photography books that contain a "down to earth" narrative and lots of "practical" advice.

Amazon.com: Customer reviews: The Photograph: Composition ...

In The Photograph: Composition and Color Design Mante explains the elements that are essential to achieving the highest level of visual design in photographs. This book is geared toward the serious intermediate and advanced photographer who strives to create outstanding images. While a deep understanding of photographic

techniques is required in order to master photography, technical knowledge alone is not sufficient to create outstanding images.

The Photograph: Composition & Color Design--New from Rocky ...

In other words, it's the composition that

makes the photograph. Before diving too deeply into photography composition techniques, a standard disclaimer must be given. Since photography is an art form, there really aren't any rules. Therefore, please consider these "photography composition rules" as guidelines and learning tools.
