Developing the Leader Within You is Dr. Maxwell's first and most enduring leadership book, having sold more than one million copies. In this Christian Leaders Series edition of this Maxwell classic, you will discover the biblical foundation for leadership that John Maxwell has used as a pastor and business leader for more than forty years. These same principles and practices are available for everyday leaders in every walk of life. It is a lofty calling to lead a group—a family, a church, a nonprofit, a business—and the timeless principles in this book will bring positive change in your life and in the lives of those around you. You will learn: The True Definition of Leader. "Leadership is influence. That's it. Nothing more; nothing less." The Traits of Leadership. "Leadership is not an exclusive club for those who were 'born with it.' The traits that are the raw materials of leadership can be acquired. Link them up with desire, and nothing can keep you from becoming a leader." The Difference Between Management and Leadership. "Making sure the work is done by others is the accomplishment of a manager. Inspiring

others to do better work is the accomplishment of a leader." God has called every believer to influence others, to be salt and light. Developing the Leader Within You will equip you to improve your leadership and inspire others.

**No Limits**

**Blow the CAP Off Your Capacity** *Center Street*

#1 New York Times bestselling author John C. Maxwell's latest book will enhance the lives of leaders, professionals, and anyone who wants to achieve success and personal growth. We often treat the word capacity as if it were a natural law of limitation. Unfortunately, most of us are much more comfortable defining what we perceive as off limits rather than what's really possible. Could it be that many of us have failed to expand our potential because we have allowed what we perceive as capacity to define us? What if our limits are not really our limits? In his newest book, John Maxwell identifies 17 core capacities. Some of these are abilities we all already possess, such as energy, creativity and leadership. Others are aspects of our lives controlled by our choices, like our attitudes, character, and intentionality. Maxwell examines each of these capacities, and provides clear and actionable advice on how you can increase your potential in each. He will guide you on how to identify, grow, and apply your critical capacities. Once you've blown the "cap" off your capacities, you'll find yourself more successful--and fulfilled--in your daily life.

**Leadershift**

**The 11 Essential Changes Every Leader Must Embrace** *HarperCollins Leadership*

Internationally recognized leadership expert John C. Maxwell teaches readers how to shift their leadership to keep innovating,

improving, and influencing others in today's fast-paced world. Change is so rapid today that leaders must do much more than stay the course to be successful. If they aren't nimble and ready to adapt, they won't survive. The key is to learn how to leadshift. In *Leadershift*, John C. Maxwell helps leaders gain the ability and willingness to make leadership changes that will positively enhance their organizational and personal growth. He does this by sharing the eleven shifts he made over the course of his long and successful leadership career. Each shift changed his trajectory and set him up for new and exciting achievements, ultimately strengthening and sustaining his leadership abilities and making him the admired leadership expert he is today. Among those leadshifts are the Adaptive Shift from Plan A to Option A, the Production Shift from Ladder Climbing to Ladder Building, and the Influence Shift from Positional Authority to Moral Authority. Maxwell gives specific guidance to readers about how to make these shifts in their own lives. Each one requires them to change the way they think, act, and ultimately lead so they can be successful in a world that never remains the same.

**The Power of Your Potential**

**How to Break Through Your Limits** *Center Street*

Learn how to maximize your potential in minimal time with this compact how-to book derived from *No Limits* by #1 New York Times bestselling author John Maxwell. Many of us hold ourselves back because we firmly believe our abilities are finite. But what if our supposed limitations are just an illusion? In *THE POWER OF YOUR POTENTIAL* John Maxwell identifies and examines the seventeen key capacities each of us possesses. Some we are born with, such as how we think or how we naturally relate to other people. The rest are choices, often unconscious, including our attitude or personal disciplines. All are expandable. Maxwell gives clear and actionable advice on what we can do to improve in each of these areas. From learning to manage your emotions and increase your energy, to conquering procrastination and becoming more comfortable with taking risks, you will surpass your own expectations to become a better you than you ever thought possible.

**The 5 Levels of Leadership**

**Proven Steps to Maximize Your Potential** *Center Street*

Use this helpful book to learn about the leadership tools to fuel success, grow your team, and become the visionary you were meant to be. True leadership isn't a matter of having a certain job or title. In fact, being chosen for a position is only the first of the five levels every effective leader achieves. To become more than "the boss" people follow only because they are required to, you have to master the ability to invest in people and inspire them. To grow further in your role, you must achieve results and build a team that produces. You need to help people to develop their skills to become leaders in their own right. And if you have the skill and dedication, you can reach the pinnacle of leadership—where experience will allow you to extend your influence beyond your immediate reach and time for the benefit of others. The 5 Levels of Leadership are: 1. Position—People follow because they have to. 2. Permission—People follow because they want to. 3. Production—People follow because of what you have done for the organization. 4. People Development—People follow because of what you have done for them personally. 5. Pinnacle—People follow because of who you are and what you represent. Through humor, in-depth insight, and examples, internationally recognized leadership expert John C. Maxwell describes each of these stages of leadership. He

shows you how to master each level and rise up to the next to become a more influential, respected, and successful leader.

### The 15 Invaluable Laws of Growth

#### Live Them and Reach Your Potential *Center Street*

#### **The Time Paradox**

#### **The New Psychology of Time That Will Change Your Life** *Simon and Schuster*

Your every significant choice -- every important decision you make -- is determined by a force operating deep inside your mind: your perspective on time -- your internal, personal time zone. This is the most influential force in your life, yet you are virtually unaware of it. Once you become aware of your personal time zone, you can begin to see and manage your life in exciting new ways. In The Time Paradox, Drs. Zimbardo and Boyd draw on thirty years of pioneering research to reveal, for the first time, how your individual time perspective shapes your life and is shaped by the world around you. Further, they demonstrate that your and every other individual's time zones interact to create national cultures, economics, and personal destinies. You will discover what time zone you live in through Drs. Zimbardo and Boyd's revolutionary tests. Ask yourself: • Does the smell of fresh-baked cookies bring you back to your childhood? • Do you believe that nothing will ever change in your world? • Do you believe that the present encompasses all and the future and past are mere abstractions? • Do you wear a watch, balance your checkbook, and make to-do lists -- every day? • Do you believe that life on earth is merely preparation for life after death? • Do you ruminate over failed relationships? • Are you the life of every

party -- always late, always laughing, and always broke? These statements are representative of the seven most common ways people relate to time, each of which, in its extreme, creates benefits and pitfalls. The Time Paradox is a practical plan for optimizing your blend of time perspectives so you get the utmost out of every minute in your personal and professional life as well as a fascinating commentary about the power and paradoxes of time in the modern world. No matter your time perspective, you experience these paradoxes. Only by understanding this new psychological science of time zones will you be able to overcome the mental biases that keep you too attached to the past, too focused on immediate gratification, or unhealthily obsessed with future goals. Time passes no matter what you do -- it's up to you to spend it wisely and enjoy it well. Here's how.

### **The 21 Most Powerful Minutes in a Leader's Day**

#### **Revitalize Your Spirit and Empower Your Leadership** *Thomas Nelson*

While a few people appear to be born leaders, the ability to lead is actually a collection of skills, nearly all of which can be learned and sharpened. Based on his New York Times bestseller *The 21 Irrefutable Laws of Leadership*, author John C. Maxwell presents a daily plan to help you grow as a leader in your personal, professional, and spiritual life.

### **Intentional Living**

#### **Choosing a Life That Matters** *Center Street*

John C. Maxwell, #1 New York Times bestselling author, helps readers take the first steps to living a life that matters in INTENTIONAL LIVING. We all have a longing to be significant. We want to make a contribution, to be a part of something noble and purposeful. But many people wrongly believe significance is unattainable. They worry that it's too big for them to achieve. That they have to have an amazing idea, be a certain age, have a lot of money, or be powerful or famous to make a real difference. The good news is that none of those things is necessary for you to achieve significance and create a lasting legacy. The only thing you need to achieve significance is to be intentional. And to do that, all you need to do is start. You can't make an impact sitting still and doing nothing. Every major accomplishment that's ever

been achieved started with a first step. Sometimes it's hard; other times it's easy, but no matter what, you have to do it if you want to get anywhere in life. In *INTENTIONAL LIVING*, John Maxwell will help you take that first step, and the ones that follow, on your personal path through a life that matters.

### **U.S. Health in International Perspective**

#### **Shorter Lives, Poorer Health** *National Academies Press*

The United States is among the wealthiest nations in the world, but it is far from the healthiest. Although life expectancy and survival rates in the United States have improved dramatically over the past century, Americans live shorter lives and experience more injuries and illnesses than people in other high-income countries. The U.S. health disadvantage cannot be attributed solely to the adverse health status of racial or ethnic minorities or poor people: even highly advantaged Americans are in worse health than their counterparts in other, "peer" countries. In light of the new and growing evidence about the U.S. health disadvantage, the National Institutes of Health asked the National Research Council (NRC) and the Institute of Medicine (IOM) to convene a panel of experts to study the issue. The Panel on Understanding Cross-National Health Differences Among High-Income Countries examined whether the U.S. health disadvantage exists across the life span, considered potential explanations, and assessed the larger implications of the findings. *U.S. Health in International Perspective* presents detailed evidence on the issue, explores the possible explanations for the shorter and less healthy lives of Americans than those of people in comparable countries, and recommends

actions by both government and nongovernment agencies and organizations to address the U.S. health disadvantage.
