**Adolescence Laurence D. Steinberg
- StuDocu**

Abstract. This article provides an overview of the history of research on adolescence. In our view, the history of the scientific study of adolescence has had two overlapping phases and is now on the cusp of a third. The first phase, which began early in the 20th century and lasted about 70 years, was

characterized by grand theoretical models that purportedly pertained to all facets of adolescent development.
