"This book offers you a gift more precious than money--it will enable you to say in six minutes what used to take you twenty." - *Say It in Six* *Say It in Six* is the freshest, fastest, most timely book on making presentations since the invention of the stopwatch. In crisp words by Ron Hoff and wonderful illustrations by Barrie Maguire, *Say It in Six* will help take the clutter and claptrap out of meetings that waste millions of dollars in time every working day. The book gets down to business in a hurry: * Example: You'll learn how to "dump the junk" that makes most speeches about as buoyant as the Titanic. * You'll learn a "high wire" structure that starts every speech with a crackle and closes with a 30-second bid for interaction. * You'll be interacting with the author on almost every page. Example: Ron Hoff takes a first-class 12-minute speech by a speaker you'll recognize--cuts it down to six minutes--and asks you to vote for "long" or "short" on the basis of which one communicates the very same message. * If you've ever had a bad dream about Traffic Court, you'll find that *Say It in Six* gives you a six-minute plan that will usher you right past the judge without denting your wallet or taunting your blood pressure. . * Maybe, best of all, *Say It in Six* could help you hold your job through a sudden siege of downsizing. Here's a book that moves fast--that knows what it's against (wasting time)--and knows what it's for (communications that illuminate smart decisions). If you read Ron Hoff's first book, *I Can See You Naked*, you know this isn't going to be some ordinary, run-of-the-mill, stone-gray book on making presentations. It's fast, visual, and fun. Like a winning presentation should be.
