But in the realm of employee compensation, the federal government is taking that absurd notion and putting it into law. Come Friday, the federally mandated minimum wage will jump from \$6.55 an hour to \$7.25—an 11 percent increase. At a time when employers are laying off workers, Washington is going to make it more expensive to keep them.

Why Raising Minimum Wage Hurts Workers ... - Opposing Views

A new "Raise the Wage" wave has been sweeping the country recently. In California, lawmakers passed a deal to increase the wage to \$15/hour by 2022. Seattle passed a similar bill in 2015, and the evidence points to a possible negative impact of such a large increase. So, why do conservatives oppose artificially high minimum wages anyway?

Why Conservatives Oppose Raising the Minimum Wage

Opponents of the minimum wage claim that a fixed minimum wage actually hurts the same low-rung workers it vows

to protect. The minimum wage, they say, is an artificial, government-imposed value for an individual worker. The real value of a worker should be decided in the open market.
