Yippee Ki-Yay Moviegoer: Writings on Bruce Willis, Badass ...

Yippee Ki-Yay Moviegoer isn't so much a book about Bruce Willis as it is a collection of Vern's reviews from years past, but aside from the slightly misleading title (it does say "And Other Important Topics"), I really enjoyed the heck out of this book. Vern's reviews and rants are funny, irreverent at times, reverent at other times (or at the same time), and are often surprisingly insightful.
