In the public imagination, Black Lives Matter is nothing more than a ubiquitous black square on social media platforms. Americans rightly outraged by incidents like the indefensible killing of George Floyd by a police officer with a long history of complaints adopted the slogan to demand proper treatment under the law — one of cornerstones of Western civilization.

Black Religion and the Imagination of Matter in the ...

This chapter outlines the history of the quest for Pan African nationalist schools, a submovement of the Black Power era. It argues that the schools, known as "independent black institutions," represented key programmatic expressions of Black Power. The growth of the schools signaled a shift from the pursuit of reform within a liberal democracy to the attempt to build the infrastructure ...
