Chapter 5: Word Recognition and Spelling, Spelling ...

Word recognition, according to Literacy Information and Communication System is "the ability of a reader to recognize written words correctly and virtually effortlessly". It is sometimes referred to as "isolated word recognition" because it involves a reader's ability to recognize words individually from a list without needing similar words for contextual help. LINCOS continues to say that "rapid and effortless word recognition is the main component of fluent reading" and explains that these skill
