Strategic management

text and cases

Strategic Management from an Islamic Perspective

Text and Cases *John Wiley & Sons*

Fascinating insights into modern strategic management from an Islamic perspective While strategic management is a cornerstone of any MBA program, it's almost always taught from conventional theories and typically American case studies. This book takes those traditional theories and interprets them from an

Islamic perspective using more international case studies. Though primarily intended as a textbook for business students, the book is also extremely useful for any Muslim business leaders who want to transform their businesses while complying with Shariah, with a particular focus on developing corporate cultures and structures in sync with Islamic values. Offers a critical review of conventional strategic management theory, suggesting more effective alternatives based on a combination of conventional and Islamic theories Includes international case studies, each with a particularly Islamic angle Written by a successful author team that has written extensively on the subject of business management from an Islamic perspective

Includes a new concluding chapter looking at present and future issues in strategic management. Continues to combine the

latest management concepts with an emphasis on current business applications and implementation.

Essentials of Strategic Management

SAGE Publications

This exciting new textbook is built on the belief that strategic management principles are more straightforward than they seem. Unlike other textbooks, *Essentials of Strategic Management* does not overcomplicate the discussion with enigmatic layers of theory or irrelevant perspectives from other disciplines. Instead you will find focused, clearly articulated coverage of the key topics of strategic management, encouraging critical reflection and deeper exploration on your own terms. Fully developed to cover the essentials of any strategic management course, authors Martyn R. Pitt and Dimitrios Koufopoulos not only create understanding of the principles of strategy, but shows you how to apply them constructively in the face of real-world practicalities.

Strategic Management (color)

Strategic Management (2020) is a 325-page open educational resource designed as an introduction to the key topics and themes of strategic management. The open textbook is intended for a senior capstone course in an undergraduate business program and suitable for a wide range of undergraduate business students including those majoring in marketing, management, business administration, accounting, finance, real estate, business information technology, and hospitality and tourism. The text presents examples of familiar companies and personalities to illustrate the different strategies used by today's firms and how they go about implementing

those strategies. It includes case studies, end of section key takeaways, exercises, and links to external videos, and an end-of-book glossary. The text is ideal for courses which focus on how organizations operate at the strategic level to be successful. Students will learn how to conduct case analyses, measure organizational performance, and conduct external and internal analyses.

Strategic Management

From Theory to Practice *Routledge*

Leadership, adaptability, value creation. These are the skills necessary for tomorrow's managers. Allen Amason approaches the topic of strategic management with these traits in mind. Rather than simply teaching theory and research, he seeks to communicate to them the fundamental keys to how strategy works. This book is designed to help students think critically and understand fully how to strategically manage their future firms. In so doing, it will enable them to adapt and learn, even as their circumstances change; to apply sound logic and reasoning, even in new and unfamiliar settings. By conveying enduring and fundamental principles of economic and human behavior rather than simply reporting on the latest innovations, this book succeeds in preparing students to excel

in the business environment over time, regardless of how it evolves.

Strategic Management

Concepts and Cases, Global Edition

For undergraduate and graduate courses in strategy. In today's economy, gaining and sustaining a competitive advantage is harder than ever. Strategic Management captures the complexity of the current business environment and delivers the latest skills and concepts with unrivaled clarity, helping students develop their own cutting-edge strategy through skill-developing exercises. The Fifteenth Edition has been thoroughly updated and revised with current research and concepts. This edition includes 29 new cases and end-of-chapter material, including added exercises and review questions. MyManagementLab for Strategic Management is a total learning package. MyManagementLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams-resulting in better performance in the course-and provides educators a dynamic set of tools for gauging individual and class progress.

The Corner Office

Indispensable and Unexpected Lessons from CEOs on How to Lead and Succeed *Macmillan*

The "Corner Office" columnist and head of a Pulitzer Prize-winning national reporting team draws on the insights of

such leading CEOs as Microsoft's Steve Ballmer, Yahoo's Carol Bartz and DreamWorks's Jeffrey Katzenberg to identify proven leadership principles as well as the qualities that CEOs most value in their employees. 40,000 first printing.

The Cores of Strategic Management *Routledge*

Most strategic management textbooks seem to stem from the old belief that "more is always better" (tm). But in this age of data deluge, many are calling for a return to the basics. If students can master the core concepts and learn how to apply these basics, they are bound to be better equipped to approach and resolve even the most complex problems. This book, unlike most textbooks, focuses on the core concepts of strategic management, aiming to help students understand the basic ideas of the field more clearly, rather than overloading them with new, peripherally-related information. With cases designed to help students apply their deeper understanding of the core concepts, this book will equip any student with the solid grounding in strategic management fundamentals needed to succeed in the academic and professional arena.

Transnational Management

Text and Cases in Cross-Border Management *Cambridge University Press*

Transnational Management provides an integrated conceptual framework to guide students and instructors through the challenges facing today's multinational enterprises. Through text narrative and cases, the authors skilfully examine the development of strategy, organizational capabilities, and

management roles and responsibilities for operating in the global economy. The key concepts are developed in eight chapters that are supplemented by carefully selected practical case studies from world-leading case writers. All chapters have been revised and updated for this eighth edition to reflect the latest thinking in transnational management while retaining the book's strong integrated conceptual framework. Ten new cases have been added, and four others updated. A full range of online support materials are available, including detailed case teaching notes, almost 200 PowerPoint slides, and a test bank. Suitable for MBA, executive education and senior undergraduate students studying international management, international business or global strategy courses, Transnational Management offers a uniquely global perspective on the subject.

Strategic Retail Management

Text and International Cases *Springer*

This book is devoted to the dynamic development of retailing. The focus is on various strategy concepts adopted by retailing companies and their implementation in practice. This is not a traditional textbook or collection of case studies; it aims to demonstrate the complex and manifold questions of retail management in the form of twenty lessons, where each lesson provides a thematic overview of key issues and illustrates them via a comprehensive case study. The examples are all internationally known retail companies, to facilitate an understanding of what is involved in strategic retail management and illustrate best practices. In the third edition, all chapters were revised and

updated. Two new chapters were added to treat topics like corporate social responsibility as well as marketing communication. All case studies were replaced by new ones to reflect the most recent developments. Well-known retail

companies from different countries, like Tesco, Zalando, Hugo Boss, Carrefour, Amazon, Otto Group, are now used to illustrate particular aspects of retail management.
