The 4-Hour Workweek, Expanded and Updated *Harmony*

The New York Times bestselling author of *The 4-Hour Body* shows readers how to live more and work less, now with more than 100 pages of new, cutting-edge content. Forget the old concept of retirement and the rest of the deferred-life plan—there is no need to wait and every reason not to, especially in unpredictable economic times. Whether your dream is escaping the rat race, experiencing high-end world travel, or earning a monthly five-figure income with zero management, *The 4-Hour Workweek* is the blueprint. This step-by-step guide to luxury lifestyle design teaches:

- How Tim went from \$40,000 per year and 80 hours per week to \$40,000 per month and 4 hours per week
- How to outsource your life to overseas virtual assistants for \$5 per hour and do whatever you want
- How blue-chip escape artists travel the world without quitting their jobs
- How to eliminate 50% of your work in 48 hours using the principles of a forgotten Italian economist
- How to trade a long-haul career for short work bursts and frequent “mini-retirements”

The new expanded edition of Tim Ferriss’ *The 4-Hour Workweek* includes:

- More than 50 practical tips and case studies from readers (including families) who have doubled income, overcome common sticking points, and reinvented themselves using the original book as a starting point
- Real-world templates you can copy for eliminating e-mail, negotiating with bosses and clients, or getting a private chef for less than \$8 a meal
- How Lifestyle Design principles can be suited to unpredictable economic times
- The latest tools and tricks, as well as high-tech shortcuts, for living like a diplomat or millionaire without being either

The 4-Hour Work Week *Crown*

Offers techniques and strategies for increasing income while cutting work time in half, and includes advice for leading a more fulfilling life.

The 4-Hour Work Week *Vermilion*

The international bestseller on escaping the 9-5 and finding a

new way of living. Forget the old concept of retirement and the rest of the deferred-life plan - there is no need to wait and every reason not to, especially in unpredictable economic times. Whether your dream is escaping the rat race, experiencing high-end world travel, earning a monthly five-figure income with zero management, or just living more and working less, this book is the blueprint. This step-by-step guide to living the life you want reveals:

- * How Tim went from \$40,000 dollars per year and 80 hours per week to \$40,000 per MONTH and 4 hours per week
- * How to outsource your life and do whatever you want
- * How to eliminate 50% of your work in 48 hours
- * How to trade a long-haul career for short work bursts and frequent 'mini-retirements'

This edition also includes:

- * More than 50 practical tips and case studies from readers (including families) who have doubled their income, overcome common sticking points and reinvented themselves using the original book as a starting point
- * Real-world templates you can copy for eliminating email and negotiating with bosses and clients
- * How lifestyle design principles can be used to live ambitiously in unpredictable economic times
- * The latest tools and tricks, as well as high-tech shortcuts, for living like a diplomat or millionaire without being either.

The 4-hour Chef *Houghton Mifflin Harcourt*

Presents a practical but unusual guide to mastering food and cooking featuring recipes and cooking tricks from world-renowned chefs.

The 4-Hour Body *Harmony*

#1 NEW YORK TIMES BESTSELLER • The game-changing author of *Tribe of Mentors* teaches you how to reach your peak physical potential with minimum effort. “A practical crash course in how to reinvent yourself.”—Kevin Kelly, *Wired* Is it possible to reach your genetic potential in 6 months? Sleep 2 hours per day and perform better than on 8 hours? Lose more fat than a marathoner by bingeing? Indeed, and much more. *The 4-Hour Body* is the result of an obsessive quest, spanning more than a decade, to hack the human body using data science. It contains the collective wisdom of hundreds of elite athletes, dozens of MDs, and thousands of hours of jaw-dropping personal experimentation. From Olympic training centers to black-market laboratories, from Silicon Valley to South Africa, Tim Ferriss fixated on one life-changing question: For all things physical, what are the tiniest changes that produce the biggest results? Thousands of tests later, this book contains the answers for both men and women. It’s the wisdom Tim used to gain 34 pounds of muscle in 28 days, without steroids, and in four hours of total gym time. From the gym to the bedroom, it’s all here, and it all works. You will learn (in less than 30 minutes each):

- How to lose those last 5-10 pounds (or 100+ pounds) with odd combinations of food and safe chemical cocktails
- How to prevent fat gain while bingeing over the weekend or the holidays
- How to sleep 2 hours per day and feel fully rested
- How to produce 15-minute female orgasms
- How to triple testosterone and double sperm count
- How to go from running 5 kilometers to 50 kilometers in 12 weeks
- How to reverse “permanent” injuries
- How to pay for a beach vacation with one hospital visit

And that’s just the tip of the iceberg. There are more than 50 topics covered, all with real-world experiments, many including more than 200 test subjects. You don’t need better genetics or more exercise. You need immediate results that compel you to continue. That’s exactly what *The 4-Hour Body* delivers.

The Time Trap *Amacom Books*

Focusing on twenty major obstacles to effective time

management, a guide to using time well offers practical solutions to the problem.

Summary of Timothy Ferriss's *The 4-Hour Workweek*, Expanded and Updated *Everest Media LLC*

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The most fundamental American question is hard for me to answer these days. If it weren't, you wouldn't be holding this book in your hands. I never enjoyed answering this cocktail question because it reflects an epidemic I was part of: job descriptions as self-descriptions. #2 The New Rich are those who abandon the deferred-life plan and create luxury lifestyles in the present using the currency of the New Rich: time and mobility. This is an art and a science called Lifestyle Design. #3 The Dealmaker process is a set of steps and strategies that will help you become a member of the New Rich. It replaces self-defeating assumptions and explains concepts such as relative wealth and eustress. #4 The E for Elimination section provides the first luxury lifestyle design ingredient: time. It explains how I used the words of an Italian economist to turn 12-hour days into two-hour days in 48 hours.

The 4 Day Week *Piatkus*

SHORTLISTED FOR THE BUSINESS BOOK AWARDS 2021 In *The 4 Day Week*, entrepreneur and business innovator Andrew Barnes makes the case for the four-day work week as the answer to many of the ills of the 21st-century global economy. Barnes conducted an experiment in his own business, the New Zealand trust company Perpetual Guardian, and asked his staff to design a four-day week that would permit them to meet their existing productivity requirements on the same salary but with a 20% cut in work hours. The outcomes of this trial, which no business leader had previously attempted on these terms, were stunning. People were happier and healthier, more engaged in their personal lives, and more focused and productive in the office. The world of work has seen a dramatic shift in recent times: the former security and benefits associated with permanent employment are being displaced by the less stable gig economy. Barnes explains the dangers of a focus on flexibility at the expense of hard-won worker protections, and argues that with the four-day week, we can have the best of all worlds: optimal productivity, work-life balance, worker benefits and, at long last, a solution to pervasive economic inequities such as the gender pay gap and lack of diversity in business and governance. *The 4 Day Week* is a practical, how-to guide for business leaders and employees alike that is applicable to nearly every industry. Using qualitative and quantitative data from research gathered through the Perpetual Guardian trial and other sources by the University of Auckland and Auckland University of Technology, the book presents a step-by-step approach to preparing businesses for productivity-focused flexibility, from the necessary cultural conditions to the often complex legislative considerations. The story of Perpetual Guardian's unprecedented work experiment has made headlines around the world and stormed social media, reaching a global audience in more than seventy countries. A mix of trenchant analysis, personal observation and actionable advice, *The 4 Day Week* is an essential guide for leaders and workers seeking to make a change for the better in their work world.

Tribe of Mentors *Houghton Mifflin Harcourt*

Life-changing wisdom from 130 of the world's highest achievers in short, action-packed pieces, featuring inspiring quotes, life lessons, career guidance, personal anecdotes, and other advice

The 4-Hour Work Week *Random House*

A new, updated and expanded edition of this New York Times bestseller on how to reconstruct your life so it's not all about work. Forget the old concept of retirement and the rest of the deferred-life plan - there is no need to wait and every reason not to, especially in unpredictable economic times. Whether your dream is escaping the rat race, experiencing high-end world travel, earning a monthly five-figure income with zero management, or just living more and working less, this book is the blueprint. This step-by-step guide to luxury lifestyle design teaches: * How Tim went from \$40,000 dollars per year and 80 hours per week to \$40,000 per MONTH and 4 hours per week * How to outsource your life to overseas virtual assistants for \$5 per hour and do whatever you want * How blue-chip escape artists travel the world without quitting their jobs * How to eliminate 50% of your work in 48 hours using the principles of a forgotten Italian economist * How to trade a long-haul career for short work bursts and frequent 'mini-retirements'. This new updated and expanded edition includes: More than 50 practical tips and case studies from readers (including families) who have doubled their income, overcome common sticking points, and reinvented themselves using the original book as a starting point * Real-world templates you can copy for eliminating email, negotiating with bosses and clients, or getting a private chef for less than £5 a meal * How lifestyle design principles can be suited to unpredictable economic times * The latest tools and tricks, as well as high-tech shortcuts, for living like a diplomat or millionaire without being either.

Tools of Titans *Houghton Mifflin*

"Fitness, money, and wisdom--here are the tools. Over the last two years ... Tim Ferriss has collected the routines and tools of world-class performers around the globe. Now, the distilled notebook of tips and tricks that helped him double his income, flexibility, happiness, and more is available as *Tools of Titans*"--Page 4 of cover.

The Million-Dollar, One-Person Business, Revised *Lorena Jones Books*

The self-employment revolution is here. Learn the latest pioneering tactics from real people who are bringing in \$1 million a year on their own terms. Join the record number of people who have ended their dependence on traditional employment and embraced entrepreneurship as the ultimate way to control their futures. Determine when, where, and how much you work, and by what values. With up-to-date advice and more real-life success stories, this revised edition of *The Million-Dollar, One-Person Business* shows the latest strategies you can apply from everyday people who--on their own--are bringing in \$1 million a year to live exactly how they want.

The Soul of Money: Transforming Your Relationship with Money and Life *W. W. Norton & Company*

"A life-changing read. With warmth, honesty, and storytelling, Lynne turns everything we think we know about money upside down...It's the book we all need right now." —Brené Brown, Ph.D., author of the #1 New York Times bestseller *Rising Strong* This liberating book shows us that examining our attitudes toward money—earning it, spending it, and giving it away—offers surprising insight into our lives. Through personal stories and practical advice, Lynne Twist asks us to discover our relationship with money, understand how we use it, and by assessing our core human values, align our relationship with it to our desired goals. In doing so, we can transform our lives. *The Soul of Money* now includes a foreword from Jack Canfield and a new introduction by

Lynne Twist, in which she explores the effects of the Great Recession and environmental concerns about our monetary needs and aims.

The Know-It-All *Simon and Schuster*

33,000 pages 44 million words 10 billion years of history 1 obsessed man Part memoir and part education (or lack thereof), The Know-It-All chronicles NPR contributor A.J. Jacobs's hilarious, enlightening, and seemingly impossible quest to read the Encyclopaedia Britannica from A to Z. To fill the ever-widening gaps in his Ivy League education, A.J. Jacobs sets for himself the daunting task of reading all thirty-two volumes of the Encyclopaedia Britannica. His wife, Julie, tells him it's a waste of time, his friends believe he is losing his mind, and his father, a brilliant attorney who had once attempted the same feat and quit somewhere around Borneo, is encouraging but, shall we say, unconvinced. With self-deprecating wit and a disarming frankness, The Know-It-All recounts the unexpected and comically disruptive effects Operation Encyclopedia has on every part of Jacobs's life -- from his newly minted marriage to his complicated relationship with his father and the rest of his charmingly eccentric New York family to his day job as an editor at Esquire. Jacobs's project tests the outer limits of his stamina and forces him to explore the real meaning of intelligence as he endeavors to join Mensa, win a spot on Jeopardy!, and absorb 33,000 pages of learning. On his journey he stumbles upon some of the strangest, funniest, and most profound facts about every topic under the sun, all while battling fatigue, ridicule, and the paralyzing fear that attends his first real-life responsibility -- the impending birth of his first child. The Know-It-All is an ingenious, mightily entertaining memoir of one man's intellect, neuroses, and obsessions and a soul-searching, ultimately touching struggle between the all-consuming quest for factual knowledge and the undeniable gift of hard-won wisdom.

Your Memory *Da Capo Lifelong Books*

Do you want to stop forgetting appointments, birthdays, and other important dates? Work more efficiently at your job? Study less and get better grades? Remember the names and faces of people you meet? The good news is that it's all possible. Your Memory will help to expand your memory abilities beyond what you thought possible. Dr. Higbee reveals how simple techniques, like the Link, Loci, Peg, and Phonetic systems, can be incorporated into your everyday life and how you can also use these techniques to learn foreign languages faster than you thought possible, remember details you would have otherwise forgotten, and overcome general absentmindedness. Higbee also includes sections on aging and memory and the latest information on the use of mnemonics.

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

A Good Food Day *Clarkson Potter*

In A Good Food Day, more than 100 recipes made with good-for-you ingredients make a good food day--a day when feeling good and eating well go hand in hand--easy and attainable. After years

of thoughtless eating that led to weight gain and poor health, chef Marco Canora knew he had to make every day a good food day: a whole day in which every meal was full of healthy and delicious ingredients. But he wasn't willing to give up flavor for health. Instead of dieting, he decided to make simple, natural recipes fit for a food lover's palate. Marco explains the secret powers of good-for-you ingredients (such as low-GI carbohydrates and alkaline-forming greens), and then builds them into recipes that are all about satisfaction, such as Amaranth Polenta with Tuscan Kale, Black Rice Seafood Risotto, Citrus-Spiked Hazelnut and Rosemary Granola, and Chickpea Crepe Sandwiches. He covers techniques to coax natural flavor out of dishes, including infusing seasoning into vegetable salads and pounding fresh herbs and spices into lean meats. To make a lasting change in your diet, the food you eat has to be delicious. A Good Food Day is for people who love real food, and know that healthy and flavorful can go hand in hand.

The Personal MBA 10th Anniversary Edition *Penguin*

The 10th anniversary edition of the bestselling foundational business training manual for ambitious readers, featuring new concepts and mental models: updated, expanded, and revised. Many people assume they need to attend business school to learn how to build a successful business or advance in their career. That's not true. The vast majority of modern business practice requires little more than common sense, simple arithmetic, and knowledge of a few very important ideas and principles. The Personal MBA 10th Anniversary Edition provides a clear overview of the essentials of every major business topic: entrepreneurship, product development, marketing, sales, negotiation, accounting, finance, productivity, communication, psychology, leadership, systems design, analysis, and operations management...all in one comprehensive volume. Inside you'll learn concepts such as: The 5 Parts of Every Business: You can understand and improve any business, large or small, by focusing on five fundamental topics. The 12 Forms of Value: Products and services are only two of the twelve ways you can create value for your customers. 4 Methods to Increase Revenue: There are only four ways for a business to bring in more money. Do you know what they are? Business degrees are often a poor investment, but business skills are always useful, no matter how you acquire them. The Personal MBA will help you do great work, make good decisions, and take full advantage of your skills, abilities, and available opportunities--no matter what you do (or would like to do) for a living.

Passive Income, Aggressive Retirement *Independently Published*

Two million dollars. That's how much money anyone under age 40 will need to accumulate to retire. That often means working 40-hour-weeks and penny-pinching your whole life. How else could you save a cool \$2 mil? Finance guru, former financial advisor, and Amazon bestselling author of Money Honey, Rachel Richards has one goal in mind: teaching you everything you need to know to become financially free earlier than you ever thought possible. At age 27, Rachel quit her job and retired, living off \$10,000+ per month in passive income streams. Let her show you how to do it at any age--it's never too late. What is passive income? Passive income is earned with little to no ongoing work. It's no get-rich-quick scheme, but once your passive income exceeds your expenses, you are set for life. In a refreshingly realistic how-to guide, Rachel serves up 28 tried and true passive income stream models, helping you to: Achieve "Financial Independence, Retire Early" without penny-pinching Create consistent, long-term residual income (the non-multi-level-

marketing way), so you can live life on your terms Have the flexibility to work when, where, and if you want Say "goodbye" to your 9-5, and create a life you totally love Eliminate your money stresses and fears Rachel supplements boatloads of research and personal expertise by interviewing well-known experts! You'll hear directly from big names such as HAL ELROD, BOBBY HOYT, DAVID OSBORN, HONORÉE CORDER, and more! Hal Elrod is the internationally bestselling author of The Miracle Morning(tm) Series, which has been translated into 37 languages and has impacted over 2,000,000 people's lives! Bobby Hoyt is a former high school band director and the founder of Millennial Money Man. He now makes six figures per month from his blog, online courses, and recurring revenue! David Osborn is a multi-millionaire real estate mogul who started out broke and unemployed at age 26, only to become one of the most successful real estate franchise owners in the world! Honorée Corder has written over 50 books. She teaches the You Must Write a Book Live Coaching Course and is an executive book coach! Doug Skipworth is the co-founder and principal broker at Crestcore Realty, which manages 2,500 properties in Tennessee. He personally owns hundreds of rentals! Thom Shepherd is a CMA of Texas Songwriter of the Year and has written five #1 singles! If you regularly feel the Sunday Scaries or always dread getting up for work in the morning, this book is for you. This book is for the college student already dreading the 9-5 life that waits him upon graduating; the couple who would rather spend their time doing what they want, instead of slaving away for their employers every day; and the single parent who is barely scraping by. Regardless of your WHY, passive income could be your HOW. Join the thousands of people who have already found success with these strategies. Applicable in 2019, 2020, and beyond, Passive Income, Aggressive Retirement is the gift that keeps on giving. Get it for yourself, for a Christmas gift, or to jumpstart a New Year's Resolution. Complete beginner or not, by the end of Passive Income, Aggressive Retirement, you'll know exactly what it takes and how to get started. Passive income is real and attainable for everyone, even you. Are you ready to join the movement?

Occupational Outlook Handbook

Vagabonding *Ballantine Books*

INTERNATIONAL BESTSELLER • With a new foreword by Tim Ferriss • "Vagabonding easily remains in my top-10 list of life-changing books. Why? Because one incredible trip, especially a long-term trip, can change your life forever. And Vagabonding teaches you how to travel (and think), not just for one trip, but for the rest of your life."—Tim Ferriss, from the foreword There's nothing like vagabonding: taking time off from your normal life—from six weeks to four months to two years—to discover and experience the world on your own terms. In this one-of-a-kind handbook, veteran travel writer Rolf Potts explains how anyone armed with an independent spirit can achieve the dream of extended overseas travel. Now completely revised and updated, Vagabonding is an accessible and inspiring guide to • financing your travel time • determining your destination • adjusting to life on the road • working and volunteering overseas • handling travel adversity • re-assimilating back into ordinary life Updated for our ever-changing world, Vagabonding is an indispensable guide for the modern traveler.

12 Weeks in Thailand *Lulu.com*

Learn how to Live the 4-Hour Workweek. Come enjoy the good life on the cheap in Thailand for 12 weeks or more. Instead of spending another month living paycheck to paycheck wouldn't

you rather say: ""I spend my days laying under the warm sun with a coconut in my hand."" ""I started my fight camp 12 weeks ago, and last night, I won my first pro muay thai match."" ""I can't believe I actually get paid to take people scuba diving, this is the best job ever."" ""I spend less in an entire month traveling, getting massages, eating out, and living in Thailand than I spent on rent alone back home."" 12 Weeks in Thailand: The Good Life on the Cheap is a true story that follows the author Johnny F.D. from his home in Los Angeles, California to his first 3 week vacation to Thailand where he decides to give it all up in pursuit of a happier life under the sun. He goes home to sell everything he owns and comes straight back to Thailand for his first of many 12 week trips.

Make Today Count *Center Street*

Drawing from the text of the Business Week bestseller Today Matters, this condensed, revised edition boils down John C. Maxwell's 12 daily practices to their very essence, giving maximum impact in minimal time. Presented in a quick-read format, this version is designed to be read cover to cover in one sitting or taken in as brief lessons in a few spare minutes each day. It covers such topics as: -- Priorities -- Health -- Family -- Finances -- Values -- Growth Readers will learn how to make decisions on important matters and apply those decisions daily to put them on a path to more successful, productive, and fulfilling lives.

Fluent Forever *Harmony*

NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller Guitar Zero At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

The Associated Press Stylebook 2015 *Basic Books*

A fully revised and updated edition of the bible of the newspaper industry

What You Do Is Who You Are *HarperCollins*

Ben Horowitz, a leading venture capitalist, modern management expert, and New York Times bestselling author, combines lessons both from history and from modern organizational practice with practical and often surprising advice to help executives build cultures that can weather both good and bad times. Ben Horowitz has long been fascinated by history, and particularly by how people behave differently than you'd expect. The time and circumstances in which they were raised often shapes them—yet a few leaders have managed to shape their times. In What You

Do Is Who You Are, he turns his attention to a question crucial to every organization: how do you create and sustain the culture you want? To Horowitz, culture is how a company makes decisions. It is the set of assumptions employees use to resolve everyday problems: should I stay at the Red Roof Inn, or the Four Seasons? Should we discuss the color of this product for five minutes or thirty hours? If culture is not purposeful, it will be an accident or a mistake. What You Do Is Who You Are explains how to make your culture purposeful by spotlighting four models of leadership and culture-building—the leader of the only successful slave revolt, Haiti’s Toussaint Louverture; the Samurai, who ruled Japan for seven hundred years and shaped modern Japanese culture; Genghis Khan, who built the world’s largest empire; and Shaka Senghor, a man convicted of murder who ran the most formidable prison gang in the yard and ultimately transformed prison culture. Horowitz connects these leadership examples to modern case-studies, including how Louverture’s cultural techniques were applied (or should have been) by Reed Hastings at Netflix, Travis Kalanick at Uber, and Hillary Clinton, and how Genghis Khan’s vision of cultural inclusiveness has parallels in the work of Don Thompson, the first African-American CEO of McDonalds, and of Maggie Wilderotter, the CEO who led Frontier Communications. Horowitz then offers guidance to help any company understand its own strategy and build a successful culture. What You Do Is Who You Are is a journey through culture, from ancient to modern. Along the way, it answers a question fundamental to any organization: who are we? How do people talk about us when we’re not around? How do we treat our customers? Are we there for people in a pinch? Can we be trusted? Who you are is not the values you list on the wall. It’s not what you say in company-wide meeting. It’s not your marketing campaign. It’s not even what you believe. Who you are is what you do. This book aims to help you do the things you need to become the kind of leader you want to be—and others want to follow.

My Experimental Life

For his first book, AJ Jacobs read the entire Encyclopedia Britannica. For his second, he followed every single rule in the Bible. Now comes a collection of his most outrageous, hilarious and thought-provoking experiments yet. In My Experimental Life Jacobs puts himself to a series of bizarre and ridiculous tests, from total obedience to his long-suffering wife and 'Radical Honesty', to living as a beautiful woman and outsourcing his personal life to India (whether sending an email, having a weekly chat with his parents or arguing with his wife). Written by an author who has been compared in the British press to Woody Allen and Bill Bryson, The Guinea Pig Diaries will be one of the funniest, most entertaining and most illuminating books of the year.

The Life of the Spirit in the Modern English Poets

The Year of Less *Hay House, Inc*

The Year of Less In her late twenties, Cait Flanders found herself stuck in the consumerism cycle that grips so many of us: earn more, buy more, want more, rinse, repeat. Even after she worked her way out of nearly \$30,000 of consumer debt, her old habits took hold again. When she realized that nothing she was doing or buying was making her happy—only keeping her from meeting her goals—she decided to set herself a challenge: she would not shop for an entire year. The Year of Less documents Cait’s life for twelve months during which she bought only consumables: groceries, toiletries, gas for her car. Along the way, she challenged herself to consume less of many other things besides

shopping. She decluttered her apartment and got rid of 70 percent of her belongings; learned how to fix things rather than throw them away; researched the zero waste movement; and completed a television ban. At every stage, she learned that the less she consumed, the more fulfilled she felt. The challenge became a lifeline when, in the course of the year, Cait found herself in situations that turned her life upside down. In the face of hardship, she realized why she had always turned to shopping, alcohol, and food—and what it had cost her. Unable to reach for any of her usual vices, she changed habits she’d spent years perfecting and discovered what truly mattered to her. Blending Cait’s compelling story with inspiring insight and practical guidance, The Year of Less will leave you questioning what you’re holding on to in your own life—and, quite possibly, lead you to find your own path of less.

Small Giants *Penguin*

How maverick companies have passed up the growth treadmill — and focused on greatness instead. It’s an axiom of business that great companies grow their revenues and profits year after year. Yet quietly, under the radar, a small number of companies have rejected the pressure of endless growth to focus on more satisfying business goals. Goals like being great at what they do, creating a great place to work, providing great customer service, making great contributions to their communities, and finding great ways to lead their lives. In Small Giants, veteran journalist Bo Burlingham takes us deep inside fourteen remarkable companies that have chosen to march to their own drummer. They include Anchor Brewing, the original microbrewer; CitiStorage Inc., the premier independent records-storage business; Clif Bar & Co., maker of organic energy bars and other nutrition foods; Righteous Babe Records, the record company founded by singer-songwriter Ani DiFranco; Union Square Hospitality Group, the company of restaurateur Danny Meyer; and Zingerman’s Community of Businesses, including the world-famous Zingerman’s Deli of Ann Arbor. Burlingham shows how the leaders of these small giants recognized the full range of choices they had about the type of company they could create. And he shows how we can all benefit by questioning the usual definitions of business success. In his new afterward, Burlingham reflects on the similarities and learning lessons from the small giants he covers in the book.

This Is Ear Hustle *Crown*

A “profound, sometimes hilarious, often heartbreaking” (The New York Times) view of prison life, as told by currently and formerly incarcerated people, from the co-creators and co-hosts of the Peabody- and Pulitzer-nominated podcast Ear Hustle “A must-read for fans of the legendary podcast and all those who seek to understand crime, punishment, and mass incarceration in America.”—Piper Kerman, author of Orange Is the New Black When Nigel Poor and Earlonne Woods met, Nigel was a photography professor volunteering with the Prison University Project and Earlonne was serving thirty-one years to life at California’s San Quentin State Prison. Initially drawn to each other by their shared interest in storytelling, neither had podcast production experience when they decided to enter Radiotopia’s contest for new shows . . . and won. Using the prize for seed money, Nigel and Earlonne launched Ear Hustle, named after the prison term for “eavesdropping.” It was the first podcast created and produced entirely within prison and would go on to be heard millions of times worldwide, garner Peabody and Pulitzer award nominations, and help earn Earlonne his freedom when his sentence was commuted in 2018. In This Is Ear Hustle, Nigel and Earlonne share their own stories of how they came to San

Quentin, how they created their phenomenally popular podcast amid extreme limitations, and what has kept them collaborating season after season. They present new stories, all with the same insight, balance, and rapport that distinguish the podcast. In an era when more than two million people are incarcerated across the United States—a number that grows by 600,000 annually—Nigel and Earlonne explore the full and often surprising realities of prison life. With characteristic candor and humor, their moving portrayals include unexpected moments of self-discovery, unlikely alliances, inspirational resilience, and ingenious work-arounds. One personal narrative at a time, framed by Nigel's and Earlonne's distinct perspectives, *This Is Ear Hustle* reveals the complexity of life for incarcerated and formerly incarcerated people while illuminating the shared experiences of humanity that unite us all.

Mindset *Ballantine Books*

From the renowned psychologist who introduced the world to "growth mindset" comes this updated edition of the million-copy bestseller—featuring transformative insights into redefining success, building lifelong resilience, and supercharging self-improvement. "Through clever research studies and engaging writing, Dweck illuminates how our beliefs about our capabilities exert tremendous influence on how we learn and which paths we take in life."—Bill Gates, *GatesNotes* "It's not always the people who start out the smartest who end up the smartest." After decades of research, world-renowned Stanford University psychologist Carol S. Dweck, Ph.D., discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school, work, sports, the arts, and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities. People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that abilities can be developed. *Mindset* reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper, truer growth mindset. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations. With the right mindset, you can motivate those you lead, teach, and love—to transform their lives and your own.

The E-Myth Revisited *Harper Collins*

An instant classic, this revised and updated edition of the phenomenal bestseller dispels the myths about starting your own business. Small business consultant and author Michael E. Gerber, with sharp insight gained from years of experience, points out how common assumptions, expectations, and even technical expertise can get in the way of running a successful business. Gerber walks you through the steps in the life of a business—from entrepreneurial infancy through adolescent growing pains to the mature entrepreneurial perspective: the guiding light of all businesses that succeed—and shows how to apply the lessons of franchising to any business, whether or not it is a franchise. Most importantly, Gerber draws the vital, often overlooked distinction between working on your business and working in your business. *The E-Myth Revisited* will help you grow your business in a productive, assured way.

Fever Moon *Ballantine Books*

In graphic novel format, follows MacKayla's rescue from the Fear

Dorcha by the dreamy-eyed bartender, an event that prompts an extraordinary adventure for young sidhe-seer Dani.

Optionality *Thales Press*

Not Sure What the Future Holds? No Problem. It's hard not to be worried about the future, especially if you just lost your job, are trying to plan your career, or are suddenly missing thousands of dollars from your retirement account. In *Optionality*, finance journalist Richard Meadows lays out a guide for not only becoming resilient to shocks, but positioning yourself to profit from an unpredictable world. Meadows takes us on a journey from quitting his office job at age 25, to lounging on tropical beaches living the early retirement dream, to finding and adopting an ancient philosophy for systematically pursuing the good life. Learn how to: • Find investment opportunities with open-ended upside, and maximise the chances of a 'moonshot' success • Make life-changing choices under conditions of uncertainty • Achieve the kind of financial freedom that lets you live life on your own terms • Protect against disaster, build support networks, and create a safety buffer of resilience in every area of life • Develop a systems approach to making your own luck *Optionality* is the key to navigating an uncertain world. In this entertaining and insightful debut, Meadows delivers a timely message: optionality has never been so valuable, and only those who have it will survive and thrive.

PostSecret *Harper Collins*

The project that captured a nation's imagination. The instructions were simple, but the results were extraordinary. "You are invited to anonymously contribute a secret to a group art project. Your secret can be a regret, fear, betrayal, desire, confession, or childhood humiliation. Reveal anything -- as long as it is true and you have never shared it with anyone before. Be brief. Be legible. Be creative." It all began with an idea Frank Warren had for a community art project. He began handing out postcards to strangers and leaving them in public places -- asking people to write down a secret they had never told anyone and mail it to him, anonymously. The response was overwhelming. The secrets were both provocative and profound, and the cards themselves were works of art -- carefully and creatively constructed by hand. Addictively compelling, the cards reveal our deepest fears, desires, regrets, and obsessions. Frank calls them "graphic haiku," beautiful, elegant, and small in structure but powerfully emotional. As Frank began posting the cards on his website, *PostSecret* took on a life of its own, becoming much more than a simple art project. It has grown into a global phenomenon, exposing our individual aspirations, fantasies, and frailties -- our common humanity. Every day dozens of postcards still make their way to Frank, with postmarks from around the world, touching on every aspect of human experience. This extraordinary collection brings together the most powerful, personal, and beautifully intimate secrets Frank Warren has received -- and brilliantly illuminates that human emotions can be unique and universal at the same time.

12 Months to \$1 Million *BenBella Books*

This is the road map to a seven-figure business . . . in one year or less The word "entrepreneur" is today's favorite buzzword, and any aspiring business owner has likely encountered an overwhelming number of so-called "easy paths to success." The truth is that building a real, profitable, sustainable business requires thousands of hours of commitment, grit, and hard work. It's no wonder why more than half of new businesses close within six years of opening, and fewer than 5 percent will ever earn more than \$1 million annually. *12 Months to \$1 Million* condenses

the startup phase into one fast-paced year that has helped hundreds of new entrepreneurs hit the million-dollar level by using an exclusive and foolproof formula. By cutting out the noise and providing a clear and proven plan, this roadmap helps even brand-new entrepreneurs make decisions quickly, get their product up for sale, and launch it to a crowd that is ready and waiting to buy. This one-year plan will guide you through the three stages to your first \$1 million:

- **The Grind (Months 0-4):** This step-by-step plan will help you identify a winning product idea, target customers that are guaranteed to buy, secure funding, and take your first sale within your first four months.
- **The Growth (Months 5 - 8):** Once you're in business, you will discover how to use cheap and effective advertising strategies to get your product to at least 25 sales per day, so you can prove you have a profitable business.
- **The Gold (Months 9-12):** It's time to establish series of products available for sale, until you are averaging at least 100 sales per day, getting you closer to the million-dollar mark every single day. Through his training sessions at Capitalism.com, Ryan Daniel Moran has helped new and experienced entrepreneurs launch scalable and sustainable online businesses. He's seen more than 100 entrepreneurs cross the seven-figure barrier, many of whom go on to sell their businesses. If your goal is to be a full-time entrepreneur, get ready for one chaotic, stressful, and rewarding year. If you have the guts to complete it, you will be the proud owner of a million-dollar business and be in a position to call your own shots for life.

The Motivation Hacker

"This is your field guide to getting yourself to want to do

everything you always wanted to want to do"--Page [4] of cover.

Reboot *HarperCollins*

One of the start-up world's most in-demand executive coaches—hailed as the “CEO Whisperer” (Gimlet Media)—reveals why radical self-inquiry is critical to professional success and healthy relationships in all realms of life. Jerry Colonna helps start-up CEOs make peace with their demons, the psychological habits and behavioral patterns that have helped them to succeed—molding them into highly accomplished individuals—yet have been detrimental to their relationships and ultimate well-being. Now, this venture capitalist turned executive coach shares his unusual yet highly effective blend of Buddhism, Jungian therapy, and entrepreneurial straight talk to help leaders overcome their own psychological traumas. Reboot is a journey of radical self-inquiry, helping you to reset your life by sorting through the emotional baggage that is holding you back professionally, and even more important, in your relationships. Jerry has taught CEOs and their top teams to realize their potential by using the raw material of their lives to find meaning, to build healthy interpersonal bonds, and to become more compassionate and bold leaders. In Reboot, he inspires everyone to hold themselves responsible for their choices and for the possibility of truly achieving their dreams. Work does not have to destroy us. Work can be the way in which we achieve our fullest self, Jerry firmly believes. What we need, sometimes, is a chance to reset our goals and to reconnect with our deepest selves and with each other. Reboot moves and empowers us to begin this journey.
