At the Gates is a Swedish death metal band from Gothenburg, a major progenitor of Gothenburg-style melodic death metal. The band was initially active from 1990 to 1996, reforming in 2007 for a tour between April and September 2008. In 2011, they reformed again and have since continued to perform. They released *At War with Reality*, their first album in 19 years, in late 2014.

To modern ears, the description “in the gates” sounds curious, but in biblical times a gate (or "gates") was not just a passageway through the defensive wall surrounding the city. It was typically a massive and often complex structure, consisting of an outer gate and an inner one providing a second line of defense, with a space in between.

Even BPW will be able to boast that they have bigger gates than us! We are going to have a whole generation of players representing us that none of us have ever seen. More to the

point, we'll have a whole raft of footballers wearing Poppies red, who will never have the pleasure of performing under the merciless, withering verbal barrage of our "support".
