In this stunning follow-up to his epic fantasy debut, Alan Campbell propels readers into a captivating city battling for its own survival—and that of humankind—in a world of deities and demons, fallen angels and killers. After a destructive battle, the ancient swaying city of Deepgate has been overtaken. Most of the chains that suspend it have given way, toxic fumes are emanating

from blazing structures, and the temple once inhabited by the ruling Presbyter now dangles upside down above the once-uncharted abyss. The victorious Spine have initiated martial law and are ruthlessly pursuing all who attempt to leave. Amid the turmoil, two captives are returned. Arriving by ship are the young angel Dill, now toughened by war, and traitor assassin Rachel Hael. Incarcerated in the slowly crumbling temple, the two await their fate, while from the abyss beneath them ghosts rise—for the death of the god Ulcis has left open the gates to Hell. But on orders from his divine brethren, Cospinol, the god of brine and fog, is traveling the world to Deepgate to seal this breach. His great skyship is being dragged through the air by the giant John Anchor, a monster of a man enslaved to pull the god's vessel, moving slowly, inevitably, toward the city. As the city waits, teetering on the brink, myriad plans for vengeance are set in motion, from the continent of Pandemeria to Heaven itself. Among them is a ghostly archon sent to deliver a message to the gods on earth—using Dill as his vessel. Thrust from his body, Dill's own soul returns to Hell. When Dill and Rachel are attacked by Spine assassins, Rachel has no choice but to try to escape with the creature that calls itself Dill...and to somehow find a way to restore her friend's soul before it's too late. For powerful forces are stirring, and in the coming battle between gods, it is the world of men that is at stake.

Codex of Fallen Angel Offspring

& Why the Sons of Seth Doctrine Is False

Angels are real, some of them fell and became known as fallen angels. They came from Heaven to the earth, there is proof in the bible and in history about what they did. The bible speaks of their offspring as giants, world history speaks of the offspring of "the gods" as giants. Is there a difference? The "sons of Seth" doctrine teaches that the "sons of God" mentioned in Genesis 6: were merely regular humans i.e. the "righteous line of Seth" who produced the giants. I will include the verse for those not familiar with Genesis 6 And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, 2 That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose. 3 And the Lord said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years. 4 There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown. The information presented in this book reveals the falseness of the "sons of Seth" doctrine and sets the record straight about who the "sons of God" who "took wives" from the daughters of men actually were...And now, an in depth preview of the rest of the book...The Bible speaks of giants using names like Nephilim, Rephaim, Zamzumim, Zuzim, Emim and others. History speaks of giants using names like Si Te Cah, Annunaki, Aloadai, Formorian and others. The Bible describes giants as at least 13 feet tall and even much taller having 6 fingers

and 6 toes on each hand and foot. History describes giants as at least 13 feet and much taller, skeletons of races of giants have been unearthed having 6 fingers and 6 toes on each hand and foot and many of them with double rows of teeth. The bible speaks of the "sons of God" the binai ha Elohim mating with women and producing giants and "mighty men" as you will see from this book the bible is clear that these "sons of God" were angels/celestial beings. Ancient cultures like Sumeria, Greece, Rome, Africa and others also speak of celestial beings mating with women and producing giants and super human men. The goal of this book is to confirm the bible through history and to confirm history through the bible. The bible is history, what has happened in ancient and recent times is also history. The various comparisons you will see in this book will show clearly that the giants and fallen angels of the bible are present throughout world history under different names. Moreover, this book will show the undeniable association between the gods/celestial beings, fallen angels and giants of ancient times.
