UPDATE 2/1/15: Designing Library Spaces (review at Hack Library School) I appreciate that the book's structure more or less follows the design process, but it made for some awkward fits between chapter divisions, libraries, and topics. And it often seems that the wealth of material was too much for one small book to do justice. Still, I would recommend this title as a teaching text for library ...

Safdie Architects (SA) has been selected to design a new Civic Center for the City of Boise Public Library. The downtown campus is envisioned as an iconic gateway to the city—a center for life-long learning, information, and cultural activities. Plans call for the Main Library to be reimagined on the existing site, connecting life-long learning, arts, and history into one cultural core.
