Deltas Key To The Toefl

Delta's Key to the Next Generation TOEFL Test (PDF+CD): I have been studying to take my first Toefl Test and this book has helped me a lot. It is very organized and easy to understand. I could have even studied by myself, although I have preferred to enroll myself at a Toefl preparation course - just to get a teacher's help.

Delta more accurately represents what TOEFL reading passages look like than Barron's does, for example. But it's still full of small problems that really add up to a much larger quality issue. Let's start with the biggest problem: length. In the sections for reading and listening practice, the texts and recordings are all too short.
