Sight Words for First Grade | pdf printable - Spruce & Bide

First Grade Math . What Is a Fact Family?: One of the more common concepts taught in first grade math is the concept of a fact family (or fact families). If you've never heard of them, they're quite easy to relate to. Build a Fact Family House: Fact family houses are a great way to teach visual learners about the relationships among the numbers that make up the family.

The Parent's Guide to a Successful First Grade Year

A relatively small number of words make up the great majority of text students will come across in the early elementary school years. If students can recognize these high frequency words at a glance, they will have greater access to all the knowledge that awaits them. The best way to teach sight words is through practice and repetition. This book will help increase familiarity through games ...
