It All Starts With a Sense of Urgency John Kotter

A big reason that a true sense of urgency is rare is that it's not a natural state of affairs. It has to be created and recreated. In organizations that have survived for a significant period of time, complacency is more likely the norm.

A Sense of Urgency - Dr. John Kotter

Best-selling author and business guru John Kotter knows about urgency. "Raising urgency" is the first step in his enormously successful eight-step framework, first articulated in *Leading Change*. But as Kotter illustrates, increasing urgency is the toughest of the eight steps, and the one without which even the most brilliant, high-powered initiatives will sputter and die.

A SENSE OF URGENCY BY JOHN KOTTER
SUMMARY True urgency focuses on critical issues. It is driven by the deep determination to win, not anxiety about losing. Many people confuse it with false urgency. This misguided sense of

urgency does have energized action, but it has a frantic aspect to it with people driven by anxiety and fear.

A Sense of Urgency by John P. Kotter - Goodreads

Sense of Urgency by John Kotter. Right from the beginning Kotter makes it clear that urgency is not busyness, or franticness. This is important. Urgency as he is using it is a continual attention to the changing landscape, within a company and on the outside. To discerning what is important. To working on what really matters.

Book Excerpt: A Sense of Urgency - Harvard Business School ...

To lead a change effort and gain the cooperation of necessary stakeholders, the first step leaders must take is to create a sense of urgency. It requires

clear and honest communications that create a sense of urgency rather than a sense of doom. By creating both a compelling picture of a desired future and the danger of accepting the status quo, leaders greatly improve their chances of gaining the commitment of organizational stakeholders for a necessary change effort.

Leading Change: Creating a Sense of Urgency (Step 1)

John Kotter says — Establishing a sense of urgency means you're trying to change the status quo, to push employees to no longer be complacent and to help employees see that it is critical to move...

John Kotter: A false sense of urgency is a terrible, terrible problem. A false sense of urgency is an anxiety driven, frenetic behaviour of running around in circles, your tongue dragging after a certain point, and becoming stressed out. You have meeting after meeting, taskforce after taskforce, but it's activity not productivity.

A Sense of Urgency: an interview with John Kotter ...

Now, in A Sense of Urgency, Kotter shines the spotlight on the crucial first step in his framework: creating a sense of urgency by getting people to actually see and feel the need for change. Why focus on urgency? Without it, any change effort is doomed. Kotter reveals

the insidious nature of complacency in all its forms and guises.

A Sense of Urgency | John P. Kotter | download

A sense of urgency is simply identifying that the current system, product, service, or whatever it is that needs to change is no longer the best option. As such, an urgency must be established to stop such action. Urgency also requires identification and acknowledgement of respect for the efforts that made the current situation.
