Globalization and Austerity Politics in Latin America ...

Inflation-spurring expansions may occur when countries are unhindered by bond market indebtedness and inflation crisis legacies, but otherwise a political austerity cycle emerges characterized by macro- economic discipline. This book is targeted toward a broad audience within political science, economics, and Latin American politics, but is especially relevant for scholars of political economy of global finance, development and democracy, and the politics of economic policy making.

Globalization and Austerity Politics in Latin America

The "new politics" perspective holds that in the present era of austerity, class-based parties once driving welfare state expansion have been superseded by powerful new interest groups of welfare-state clients capable of largely resisting retrenchment pressures emanating from postindustrial forces.

Globalization and Austerity Politics in Latin America ...

In *Globalization and Austerity Politics in Latin America*, Kaplan's research puzzle begins with the noticeable absence of political business-cycle spending in Latin America over the past two decades compared with its blatant use in the United States and other developed countries. He argues that because of their recent experiences with hyperinflation, Latin American governments have instead been implementing political austerity cycles, which are inflation and deficit-spending averse.
