By the Rivers of Babylon *Grand Central Publishing*

Lod Airport, Israel: Two Concorde jets take off for a U.N. conference that will finally bring peace to the Middle East. Covered by F-14 fighters, accompanied by security men, the planes carry warriors, pacifists, lovers, enemies, dignitaries -- and a bomb planted by a terrorist mastermind. Suddenly they're forced to crash-land at an ancient desert site. Here, with only a handful of weapons, the men and women of the peace mission must make a desperate stand against an army of crack Palestinian commandos -- while the Israeli authorities desperately attempt a rescue mission. In a land of blood and tears, in a windswept place called Babylon, it will be a battle of bullets and courage, and a war to the last death.

By the Waters of Babylon *CreateSpace*

The north and the west and the south are good hunting ground, but it is forbidden to go east. It is forbidden to go to any of the Dead Places except to search for metal and then he who touches the metal must be a priest or the son of a priest. Afterwards, both the man and the metal must be purified. These are the rules and the laws; they are well made. It is forbidden to cross the great river and look upon the place that was the Place of the Gods-this is most strictly forbidden. We do not even say its name though we know its name. It is there that spirits live, and demons-it is there that there are the ashes of the Great Burning. These things are forbidden- they have been forbidden since the beginning of time.

By the Rivers of Babylon *Fortress Press*

The language of exile, focused with theological and biblical narratives and coupled with depictions of real-life exilic communities, can equip church leaders as agents in the creation of new communities. Robert Hoch reads the larger North American tradition of Christian worship and mission through the prism of visibly marginalized communities. Through this lens, leaders may come to see diversity as an indication of mission vitality, and focus less on assimilating people and more on the future promises of God and the manifold textures of incarnation.

Rivers of Babylon

Rivers of Babylon

It is 1989. Across Central Europe, socialism is crumbling, and robber capitalism is being born. Rivers of Babylon tells this story of a Central Europe, where criminals, intellectuals and secret policemen have infiltrated a new democracy, through the eyes of Racz, sociopathic gangster and idiot of genius. Slovak readers acknowledge Peter Pist'aneK as their most flamboyant and fearless writer, stripping the nation of its myths and false self-esteem.

Beyond the Rivers of Babylon

Rowing upon the Tigris River to enjoy a summer campfire on the tiny islands that emerged every summer, teenaged Joseph Samuels never could have imagined that these waters would soon become his only hope for freedom. At the age of 19, he was forced to leave his family behind as he smuggled out of Iraq in the secret hold of a Basra riverboat to escape the violent and repressive anti-Semitism that, over the next few years, would spell the end of the two-millennium old Iraqi Jewish community. Beyond the Rivers of Babylon follows Joe's remarkable journey, from his colorful childhood in the Old Jewish Quarter of Baghdad, to his life-altering service in the Israeli Navy, to starting a family and building a real estate empire in Montreal and Los Angeles. Blessed with a remarkably vivid memory and a keen ability to look inward, Joe paints a sensory landscape of a home that is no more, and in the process imparts the lessons of a life lived to its fullest.

The Wooden Village

The second novel in the 'Rivers of Babylon' trilogy, translated from the Slovak, this outrageous black satire centres on a 'wooden village' of kiosks erected around a city hotel. It follows the post-communist rise of a mafia thug to be the leading 'businessman' of Bratislava, and of a perverted car-park attendant to the status of a porn-film scriptwriter, while others sink to pimping, robbing and baby-trafficking. Into this world, risking his life, comes a naive Slovak-American entrepreneur. 'Rivers of Babylon 1' was praised by William Boyd: "A tremendous novel, powered by an uncompromising ferocious energy and exhibiting a brutally dark sense of humour that is both ruthless and exhilarating. An amazing find.Ö The power is fully sustained in this novel.

From the Rivers of Babylon to the Highlands of Judah *Penn State Press*

Culled from various books, journals, and festschrifts, the most important essays by Sara Japhet on the biblical restoration period and the books of Ezra-Nehemiah and Chronicles appear in this accessible collection. Japhet, who is Yehezkel Kaufmann Professor of Bible at the Hebrew University of Jerusalem and received the Israel Prize for biblical scholarship in 2004, has been a leading scholar on these topics for more than 30 years. Included here are studies on the question of common authorship of Ezra-Nehemiah and Chronicles, the temple during the restoration period, the use of the law in Ezra-Nehemiah, postexilic historiography, the “remnant” and self-definition during the restoration period, the historical reliability of Chronicles, and conquest and settlement in Chronicles. Scholars and students with an interest in the history, historiography, and theology of the restoration period, and in the interpretation of Ezra-Nehemiah and Chronicles will want to own this compendium of valuable essays.

By the Rivers of Babylon

I Wept by the Rivers of Babylon

I imagine there are a great many young men and women who--unless I warn them--will go down the self-same path I took, wasting my youth.I WEPT BY THE RIVERS OF BABYLON is a cautionary tale for unwitting travelers on their imagined road to heaven or paradise.I mark the blind alleys, pitfalls, side-tracks to nowhere and last horizon where sanity drops off and HERE THERE BE DRAGONS.if I can stop just one more person from going along with the Watch Tower allure of empty promises and broken dreams, I can stop my nightmare from its eternal return. You see, it was too late for me. But, while there is still breath in my body, I have determined to raise the cry: PLEASE! DON'T GO INSIDE!For the casual reader, it is a historical recounting of the conscientious objector grappling with the Draft Board, FBI and federal justice system during the Vietnam War. The 1960's was an incredible decade in which all the old values were turned on their head and a youth movement unhinged the power structure of modern society. Totally at odds with the hipples, flower children, rock n' rollers, druggies, war protesters and existentialist poets--young Jehovah's Witness men were clean-cut, polite, squeaky clean oddballs about to be fed by their Governing Body into a meat grinder on purpose.My book reveals that purpose and the human rights violations wrought by men of hubris who ran the publishing business cum religion of Jehovah's Witnesses. The path from ancient Rome and early Christianity up through the centuries to the time of Pastor Russell and Judge Rutherford provides an enlightening contrast. Each denomination, sect and cult insisted they read the same Bible and followed the same God--and yet--the results of their absolute certainty were ever

at odds!How does it happen and what will make it stop? Read my book and hear my own answers. I WEPT BY THE RIVERS OF BABYLON has succeeded in granting me peace of mind, at last.

Eleven stories deal with a sixteenth-century Portuguese poet, a genie, politics, a colonial administrator, war criminals, and early Christianity

By the Rivers of Babylon Simon and Schuster

A gritty, sophisticated, supernatural street thriller that explores the nature of forbidden love and its power to transform even the hardest of hearts. Lincoln Duvall is the Third Ward's most notorious criminal, a drug lord and known murderer who has sold his soul to the devil and abandoned his early roots of religious upbringing. But when he falls in love with Gabriella Sinclair, a street-savvy Christian journalist with the power to reveal his secrets and dismantle his entire organization, good is pitted against evil in a dramatic showdown. Wealthy, powerful, and connected, Lincoln has always been untouchable -- until Gabriella invades his heart. Is spiritual redemption possible for Lincoln, or will he pull Gabriella away from her life of virtue down to the darkness of his world?

By the Rivers of Babylon

This collection of 25 sermons given by Kaj Munk reveal his increasing criticism of the German occupation that began in April 1940. His "Underground Sermons" were printed and distributed "illegally" through the Danish underground. The Germans obtained a court order for their confiscation, but only managed to get 10 copies of the 26,500 copies printed on May 23, 1943. By December, 1943, it was illegal for Kaj Munk to preach anywhere. On December 5, 1943, Kaj Munk sat discretely in the Copenhagen Cathedral, and at a signal from the pastor ascended to the pulpit, gave his sermon, and was then escorted quickly and safely out of the church. The last sermon in this book was given on New Year's day, just three days before he was killed by the German occupation forces on January 4, 1944. Kaj Munk was a beacon of light in Denmark's darkest hour and his influence continues to this day.

By the Rivers of Babylon (program).

By the Waters of Babylon

A young Israelite woman is captured by a mercenary Scythian prince. Driven toward Babylon by both hatred and hope, she endures captivity to reunite with her husband. But will he be there when she reaches Babylon? Can they find what they seek when they meet the prophet Ezekial. . . by the waters of Babylon?

The End of Freddy

The third novel in the acclaimed Slovak trilogy 'Rivers of Babylon', 'End of Freddy' is a tour de force (translated partly from the Slovak and partly from the Czech) that expands the action from Bratislava to the Czech republic and to an imaginary Khanate in the Russian Arctic. The gangster Rác now becomes a terrifying international figure, an oil oligarch, and the former car-park attendant Freddy Piggybank, half by chance, rises from being a porn-film king to the hero of an uprising by Slovak settlers in the Arctic. The same grotesque but convincing satirical picture of Bratislava expands into a fantastic, but believable tale of a war of liberation, and of Czech imperial ambitions, in the Arctic. Pišťanek's prodigious and often prophetic invention knows no bounds. Willian Boyd acclaimed the first 'Rivers of Babylon' novel as ÓA tremendous novel: powered by an uncompromising, ferocious energy and exhibiting a brutally dark sense of humour that is both ruthless and exhilarating. An amazing find.Ó This final novel adds new qualities of fantasy, insight and human warmth to Pišťanek's world.

Baghdadi Jews came to Shanghai via India and first settled in the foreign enclave in 1845. This study examines the establishment and growth of the community of Baghdadi Jews in the evolving socio-economic context of Shanghai, focusing on the lives of three prominent members of the community and their attempts to preserve their culture in a foreign land. Meyer has lectured widely on the subject. Annotation (c)2003 Book News, Inc., Portland, OR (booknews.com).

Alas, Babylon Harper Collins

The classic apocalyptic novel that stunned the world.

A Note on by the Rivers of Babylon

Babylon Girls Duke University Press

Babylon Girls is a groundbreaking cultural history of the African American women who performed in variety shows—chorus lines, burlesque revues, cabaret acts, and the like—between 1890 and 1945. Through a consideration of the gestures, costuming, vocal techniques, and stagecraft developed by African American singers and dancers, Jayna Brown explains how these women shaped the movement and style of an emerging urban popular culture. In an era of U.S. and British imperialism, these women challenged and played with constructions of race, gender, and the body as they moved across stages and geographic space. They pioneered dance movements including the cakewalk, the shimmy, and the Charleston—black dances by which the “New Woman” defined herself. These early-twentieth-century performers brought these dances with them as they toured across the United States and around the world, becoming cosmopolitan subjects more widely traveled than many of their audiences. Investigating both well-known performers such as Ada Overton Walker and Josephine Baker and lesser-known artists such as Belle Davis and Valaida Snow, Brown weaves the histories of specific singers and dancers together with incisive theoretical insights. She describes the strange phenomenon of blackface performances by women, both black and white, and she considers how black expressive artists navigated racial segregation. Fronting the “picaninny choruses” of African American child performers who toured Britain and the Continent in the early 1900s, and singing and dancing in The Creole Show (1890), Darktown Follies (1913), and Shuffle Along (1921), black women variety-show performers of the early twentieth century paved

the way for later generations of African American performers. Brown shows not only how these artists influenced transnational ideas of the modern woman but also how their artistry was an essential element in the development of jazz.

By the Rivers of Babylon Quartet Books Limited

Based on interviews with Israelis of Iraqi origin and on a ten-day fact-finding visit to Israel, 'By the Rivers of Babylon' is a story about the life and suffering of the Jewish community in Iraq. The author emphasises the human issues involved, the prospect of Arab-Jewish understanding, and the need for peace.

Cathedral Grand Central Publishing

St. Patrick's Day, New York City. Everyone is celebrating, but everyone is in for the shock of his life. Born into the heat and hatred of the Northern Ireland conflict, IRA man Brian Flynn has masterminded a brilliant terrorist act the seizure of Saint Patrick's Cathedral. Among his hostages: the woman Brian Flynn once loved, a former terrorist turned peace activist. Among his enemies: an Irish-American police lieutenant fighting against a traitor inside his own ranks and a shadowy British intelligence officer pursuing his own cynical, bloody plan. The cops face a booby-trapped, perfectly laid out killing zone inside the church. The hostages face death. Flynn faces his own demons, in an electrifying duel of nerves, honor, and betrayal.

By the River Piedra I Sat Down and Wept Harper Collins

From Paulo Coelho, author of the international bestseller The Alchemist, comes a poignant, richly poetic story that reflects the depth of love and life. Rarely does adolescent love reach its full potential, but what happens when two young lovers reunite after eleven years? Time has transformed Pilar into a strong and independent woman, while her devoted childhood friend has grown into a handsome and charismatic spiritual leader. She has learned well how to bury her feelings . . . and he has turned to religion as a refuge from his raging inner conflicts. Now they are together once again, embarking on a journey fraught with difficulties, as long-buried demons of blame and resentment resurface after more than a decade. But in a small village in the French Pyrenees, by the waters of the River Piedra, a most special relationship will be reexamined in the dazzling light of some of life's biggest questions.

From the 'Rivers of Babylon' to the 'Rivers of the Internet' LIT Verlag Münster

The ‘rivers of Babylon’ were built 3500 years ago by technical and political leaders between Euphrates and Tigris, creating the high culture of Mesopotamia, cultivating dry desert lands into fertile soil, built central cities and the Gardens of Semiramis, using the waterways for exchange of communication, commerce, and control. The ‘rivers of the Internet’ are built in the 21st century creating integrated cultures of people, of things and everything, of geospaces and cyberspaces, of artificial intelligence (AI) and artificial sensuality (AS), changing individuals, cultures and politics, creating newly integrated state and non-state bodies of culture, commerce, control, politics, and power. New tools and technologies have changed our ideational, environmental, economic, political and cultural biotopes, but people and communities are still good or bad as they were 3500 years ago. Hegel measured progress in world history via the ‘progress of the ‘consciousness of freedom’ in communities and civilizations. The Hegelian geography teacher and 1848 rebel Ernst Kapp measured progress in world history via the ‘cultivation of lands and communities by tools and technologies’. Should we understand World History as unilinear (Hegel), or rotating (Polybius), or spiraling (Burckhardt), or conditional on tools and techniques (Kapp), or based on trends and fashions?

The Nature of the Beast Minotaur Books

The Nature of the Beast is a New York Times bestselling Chief Inspector Gamache novel from Louise Penny. Hardly a day goes by when nine year old Laurent LePAGE doesn't cry wolf. From alien invasions, to walking trees, to winged beasts in the woods, to dinosaurs spotted in the village of Three Pines, his tales are so extraordinary no one can possibly believe him. Including Armand and Reine-Marie Gamache, who now live in the little Quebec village. But when the boy disappears, the villagers are faced with the possibility that one of his tall tales might have been true. And so begins a frantic search for the boy and the truth. What they uncover deep in the forest sets off a sequence of events that leads to murder, leads to an old crime, leads to an old betrayal. Leads right to the door of an old poet. And now it is now, writes Ruth Zardo. And the dark thing is here. A monster once visited Three Pines. And put down deep roots. And now, Ruth knows, it is back. Armand Gamache, the former head of homicide for the Sûreté du Québec, must face the possibility that, in not believing the boy, he himself played a terrible part in what happens next.

"By the Rivers of Babylon (Psalm 137:1)

The Broken Heart of America Basic Books

A searing portrait of the racial dynamics that lie inescapably at the heart of our nation, told through the turbulent history of the city of St. Louis. From Lewis and Clark's 1804 expedition to the 2014 uprising in Ferguson, American history has been made in St. Louis. And as Walter Johnson shows in this searing book, the city exemplifies how imperialism, racism, and capitalism have persistently entwined to corrupt the nation's past. St. Louis was a staging post for Indian removal and imperial expansion, and its wealth grew on the backs of its poor black residents, from slavery through redlining and urban renewal. But it was once also America's most radical city, home to anti-capitalist immigrants, the Civil War's first general emancipation, and the nation's first general strike—a legacy of resistance that endures. A blistering history of a city's rise and decline, The Broken Heart of America will forever change how we think about the United States.

Beyond the Rivers of Ethiopia Pneuma Life Pub

This powerful and revealing look into God's purpose for the black race gives scholastic yet simple answers to questions you have always had about the black presence in the Bible. The roles and exploits of blacks in the Bible that have either been omitted or treated lightly by European and Euro-

American scholars are now revealed.

Babylon *Macmillan*

Civilization was born eight thousand years ago, between the floodplains of the Tigris and Euphrates rivers, when migrants from the surrounding mountains and deserts began to create increasingly sophisticated urban societies. In the cities that they built, half of human history took place. In Babylon, Paul Kriwaczek tells the story of Mesopotamia from the earliest settlements seven thousand years ago to the eclipse of Babylon in the sixth century BCE. Bringing the people of this land to life in vibrant detail, the author chronicles the rise and fall of power during this period and

explores the political and social systems, as well as the technical and cultural innovations, which made this land extraordinary. At the heart of this book is the story of Babylon, which rose to prominence under the Amorite king Hammurabi from about 1800 BCE. Even as Babylon's fortunes waxed and waned, it never lost its allure as the ancient world's greatest city. Engaging and compelling, Babylon reveals the splendor of the ancient world that laid the foundation for civilization itself.
