Inflight Science: A Guide to the World from Your Airplane ...

Inflight Science basically explains (in simple terms) some of the science that one is likely to encounter whilst travelling by air. Here are some examples of the things I learnt about: how the X-Ray scanners in terminals work; why Einstein's theory of relativity needs to be accounted for when using GPS; how different clouds form; and what would happen if a plane were to be struck by lightning.

Inflight Science: A Guide to the World From Your Airplane ...

Inflight Science shows how you stay alive up there - but that's only the beginning. Brian Clegg explains the ever changing view, whether it's crop circles or clouds, mountains or river deltas, and describes simple experiments to show how a wing provides lift, or what happens if you try to open a door in midair (don't!).
