Social Work Values The Moral Core Of The Profession

Rawls's work highlighted a concept that has become critically important in ethics and in social work: the ranking of values and ethical duties. For Rawls and many other moral philosophers, ethical decisions often reduce to difficult judgments about what values or duties take precedence over others. Rawls calls this lexical ordering. For example, should a vulnerable client's right to self-determination take precedence over the social worker's duty to protect the client from engaging in ...
