As serious readers ourselves, we understand the value of diving right into the heart of every story and uncovering its essence in bite-sized pieces.

The State Of Affairs Rethinking Infidelity publication summary collection offers just that - a concise and insightful recap of the key points and motifs of a book. In today's hectic globe, we know that time is priceless, and our summaries are created to conserve you time by giving a fast introduction of The State Of Affairs Rethinking Infidelity's material and insights.

Our team of specialist writers thoroughly curates our publication recap of The State Of Affairs Rethinking Infidelity collection to make certain that we provide you with top quality recaps that catch the significance of each book. Whether you are looking to explore new styles, uncover brand-new authors, or just gain deeper understandings right into your preferred publications, our collection has something for everybody.

Join us today and unlock the world of The State Of Affairs Rethinking Infidelity recaps. Discover the benefits of condensing complicated ideas into basic and easy-to-understand language. Our book recaps are a great means to broaden your expertise and widen your horizons without having to invest hours of your time.

Keep tuned as we explore the principle of The State Of Affairs Rethinking Infidelity, discuss their advantages, and provide ideas on just how to create efficient summaries. With our assistance, you'll discover the best book for your interests and unlock a globe of understanding.

CHECKING OUT PUBLICATION RECAPS OF THE STATE OF AFFAIRS RETHINKING INFIDELITY

At our book summary collection, we strongly believe in the power of exploring The State Of Affairs Rethinking Infidelity. Not just can this open up brand-new expertise and understandings, but it can likewise save viewers time and aid them make a decision which books to invest their time in. Allow's study the idea of The State Of Affairs Rethinking Infidelity summaries and their advantages.

What are book recaps?

Reserve summaries are condensed variations of a publication's key points and styles. They supply a quick overview of The State Of Affairs Rethinking Infidelity's essence in bite-sized portions. They can range from a few paragraphs to a couple of pages.

Why are they useful?

The State Of Affairs Rethinking Infidelity summaries are important due to the fact that they allow readers to obtain a much deeper understanding of a publication's key points and themes without needing to check out the complete publication. They are specifically valuable for active people who intend to stay educated however might not have the time to review an entire book of The State Of Affairs Rethinking Infidelity.

How can they profit The State Of Affairs Rethinking Infidelity viewers?

Schedule recaps can benefit visitors by conserving time, offering a practical overview of The State Of Affairs Rethinking Infidelity's essence, and helping visitors determine which books deserve investing even more time in. They permit readers to rapidly and easily gain insights and knowledge without having to dedicate to checking out the complete book of The State Of Affairs Rethinking Infidelity.

- Saves time
- Provides a quick review
- Assists The State Of Affairs Rethinking Infidelity visitors make a decision which books to invest more time in

Remain tuned for our next area where we will certainly dive deeper right into the advantages of The State Of Affairs Rethinking Infidelity.

BENEFITS OF THE STATE OF AFFAIRS RETHINKING INFIDELITY BOOK RECAPS

At our publication summary collection, we believe in the countless benefits of checking out The State Of Affairs Rethinking Infidelity summaries. Below are a couple of vital benefits:

- **Time-saving:** With our active routines, it can be testing to find time to review every book we desire. Our publication summaries supply a quick overview of the most crucial points without requiring to spend several hours in reviewing The State Of Affairs Rethinking Infidelity entire book.
- **Quick review of The State Of Affairs Rethinking Infidelity:** If there is a book you want, but you're unsure if it's ideal for you, our publication summaries use a glimpse into the writer's main ideas and writing design prior to purchasing the complete book.
- **Boosted understanding in The State Of Affairs Rethinking Infidelity:** For those that have actually checked out the whole book, our book recaps provide a chance to freshen your memory and uncover the key points and motifs.

Overall, book summaries of The State Of Affairs Rethinking Infidelity deal an useful tool to boost your reading experience and maximize your time and effort.

JUST HOW TO CREATE A PUBLICATION RECAP OF THE STATE OF AFFAIRS RETHINKING INFIDELITY

Writing a book recap may appear like a difficult job, but it can actually be an enjoyable and

gratifying experience. Right here are some key elements to remember when writing your publication summary:

1. **Focus on the essence:** The objective of a publication recap is to catch the essence of The State Of Affairs Rethinking Infidelity in a succinct and compelling means. Stay clear of getting captured up in the details and instead concentrate on the key points and styles that the writer is trying to convey.
2. **Keep it quick:** The State Of Affairs Rethinking Infidelity recap is suggested to be a quick introduction, so keep it succinct. Stick to the most vital information and prevent going into way too much depth.

For readers who favor a much more individualized touch, curated collections are an excellent choice. These collections are often produced by industry professionals or lovers and give a listing of must-read recaps for various categories. You can discover them on blog sites, podcasts, and also social networks groups.

With these suggestions, you can locate the ideal The State Of Affairs Rethinking Infidelity book recaps for your passions and preferences. Delighted analysis!

The State of Affairs

Rethinking Infidelity HarperCollins

Iconic couples' therapist and bestselling author of Mating in Captivity Esther Perel returns with a provocative look at relationships through the lens of infidelity. An affair: it can rob a couple of their relationship, their happiness, their very identity. And yet, this extremely common human experience is so poorly understood. What are we to make of this time-honored taboo—universally forbidden yet universally practiced? Why do people cheat—even those in happy marriages? Why does an affair hurt so much? When we say infidelity, what exactly do we mean? Do our romantic expectations of marriage set us up for betrayal? Is there such a thing as an affair-proof marriage? Is it possible to love more than one person at once? Can an affair ever help a marriage? Perel weaves real-life case stories with incisive psychological and cultural analysis in this fast-paced and compelling book. For the past ten years, Perel has traveled the globe and worked with hundreds of couples who have grappled with infidelity. Betrayal hurts, she writes, but it can be healed. An affair can even be the doorway to a new marriage—with the same person. With the right approach, couples can grow and learn from these tumultuous experiences, together or apart. Affairs, she argues, have a lot to teach us about modern relationships—what we expect, what we think we want, and what we feel entitled to. They offer a unique window into our personal and cultural attitudes about love, lust, and commitment. Through examining illicit love from multiple angles, Perel invites readers into an honest, enlightened, and entertaining exploration of modern marriage in its many variations. Fiercely intelligent, The State of Affairs provides a daring framework for understanding the intricacies of love and desire. As Perel observes, “Love is messy; infidelity more so. But it is also a window, like no other, into the crevices of the human heart.”

The State of Affairs

Rethinking Infidelity - A Book for Anyone Who Has Ever Loved Yellow Kite

NEW YORK TIMES BESTSELLER Is there such a thing as an affair-proof marriage? Is it possible to love more than one person at once? Why do people cheat? Can an affair ever help a marriage? Infidelity is the ultimate betrayal. But does it have to be? Relationship therapist Esther Perel examines why people cheat, and unpacks why affairs are so traumatic; because they threaten our emotional security. In infidelity, she sees something unexpected - an expression of longing and loss. A must-read for anyone who has ever cheated or been cheated on, or who simply wants a new framework for understanding relationships. 'Esther Perel does nothing short of strip us of our deepest biases, remind us of our purpose in connecting as lovers, and save relationships that might otherwise sink into the sea-all with even-handed wisdom, fresh morality, and wise prose. Thank

heavens for this woman.' - Lena Dunham 'Beautiful. A brilliantly intelligent plea for complexity, understanding, and - as always - kindness.' - Alain de Botton 'She's the guru on relationships... she's the first person I ask for advice' - Cara Delevingne 'Wisest sex therapist we ever did meet. Her new book, THE STATE OF AFFAIRS, proposes a new perspective on infidelity' - GRAZIA 'This is a must-have for all married couples and has completely changed my thinking.' - SUNDAY TIMES STYLE

Mating in Captivity

Unlocking Erotic Intelligence *Harper Collins*
One of the world’s most respected voices on erotic intelligence, Esther Perel offers a bold, provocative new take on intimacy and sex. Mating in Captivity invites us to explore the paradoxical union of domesticity and sexual desire, and explains what it takes to bring lust home. Drawing on more than twenty years of experience as a couples therapist, Perel examines the complexities of sustaining desire. Through case studies and lively discussion, Perel demonstrates how more exciting, playful, and even poetic sex is possible in long-term relationships. Wise, witty, and as revelatory as it is straightforward, Mating in Captivity is a sensational book that will transform the way you live and love.

After the Affair, Third Edition

Healing the Pain and Rebuilding Trust When a Partner Has Been Unfaithful *HarperCollins*
“Full of juicy, concrete advice to heal from an affair.” —Esther Perel, MA, LMFT, New York Times bestselling author of Mating in Captivity and The State of Affairs From a clinical psychologist who served as a clinical supervisor in the Department of Psychology at Yale University, received the CPA's award for Distinguished Contribution to the Practice of Psychology, and has treated couples and trained therapists for over four decades, this newly updated, award-winning book provides concrete, proven strategies for those who seek to survive their partner's infidelity and to rebuild the relationship after an affair. There is nothing quite like the devastation caused when a partner has been unfaithful. Hurt partners often experience a profound shattering of their familiar and valued sense of self and fall into a depression that can last for years. For the relationship, infidelity is often a death blow. This new third edition of After the Affair, with more than 600,000 copies sold, helps guide both hurt and unfaithful partners through three stages of healing: normalizing the crisis, deciding whether to recommit to their partner, and rekindling trust and sexual intimacy. It includes a new section in which patients ask questions not addressed in previous editions, and the author provides concrete strategies for earning trust and forgiveness.

In Our Prime

The Invention of Middle Age *Simon and Schuster*
A social history of the concept of middle age traces the period from when the term was first coined in the late 19th century through the present, offering insight into the current midlife generation's considerable influence as well as the biological, psychological and sociological factors shaping the midlife experience.

NOT "Just Friends"

Rebuilding Trust and Recovering Your Sanity After Infidelity *Simon and Schuster*
One of the world’s leading experts on infidelity provides a step-by-step guide through the process of infidelity—from suspicion and revelation to healing, and provides profound, practical guidance to prevent infidelity and, if it happens, recover and heal from it. You’re right to be cautious when you hear these words: “I’m telling you, we’re just friends.” Good people in good marriages are having affairs. The workplace and the Internet have become fertile breeding grounds for “friendships” that can slowly and insidiously turn into love affairs. Yet you can protect your relationship from emotional or sexual betrayal by recognizing the red flags that mark the stages of slipping into an improper, dangerous intimacy that can threaten your marriage.

The Ethical Slut

A Practical Guide to Polyamory, Open Relationships and Other Freedoms in Sex and Love *Editeurs divers USA*
The classic guide to love, sex, and intimacy beyond the limits of conventional monogamy has been fully updated to reflect today's modern attitudes and the latest information on nontraditional relationships. For 20 years The Ethical Slut has dispelled myths and showed curious readers how to maintain a successful polyamorous lifestyle through open communication, emotional honesty, and safer sex practices. The third edition of this timeless guide to communication and sex has been revised to include interviews with poly millennials (young people who have grown up without the prejudices their elders encountered regarding gender, orientation, sexuality, and relationships), tributes to poly pioneers, and new sidebars on topics such as asexuality, sex workers, and ways polys can connect and thrive. The authors also include new content addressing nontraditional relationships beyond the polyamorous paradigm of "more than two": couples who don't live together, couples who don't have sex with each other, nonparallel arrangements, couples with widely divergent sex styles, power disparities, and cross-orientation relationships, while utilizing nonbinary gender language and new terms that have come into common usage since the last edition.

Rethinking American Grand Strategy *Oxford University Press*
"In recent years, historians and other scholars have offered useful definitions, most of which coalesce around the notion that grand strategy is an amplification of the "normal" strategic practice of deploying various means to attain specific ends. "The crux of grand strategy," writes Paul Kennedy, co-founder of the influential Grand Strategy program at Yale University, "lies...in policy, that is, in the capacity of the nation's leaders to bring together all the elements, both military and nonmilitary, for the preservation and enhancement of the nation's long-term (that is, in wartime and peacetime) best interests." John Lewis Gaddis, the program's co-founder with Kennedy, defines grand strategy succinctly as "the alignment of potentially unlimited aspirations with necessarily limited capabilities." Hal Brands, an alumnus of Yale's program and a contributor to this volume, observes that grand strategy is best understood as an "intellectual architecture that lends structure to foreign policy; it is the logic that helps states navigate a complex and dangerous world." Peter Feaver, who followed Yale's model when establishing a grand strategy program at Duke University, is somewhat more specific: "Grand strategy refers to the collection of plans and policies that comprise the state's deliberate effort to harness political, military, diplomatic, and economic tools together to advance that state's national interest." International Relations theorist Stephen Walt is even more precise: "a state's grand strategy is its plan for making itself secure. Grand strategy identifies the objectives that must be achieved to produce security, and describes the political and military actions that are believed to lead to this goal. Strategy is thus a set of 'contingent predictions': if we do A, B, and C, the desired results X, Y, and Z should follow.""--

Summary of The State of Affairs

Rethinking Infidelity Esther Perel Cityprint *Independently Published*
Summary of The State of Affairs: Rethinking Infidelity; Esther PerelNOTE: This is a summary guide and is meant as a companion to, not a replacement for, the original book.THE BOOK: The State of Affairs (2017) tackles the tough subject of infidelity. Cheating is widely condemned as immoral, and yet, at some point or another, many people do it anyway. This book offers a fresh look at infidelity and asks a difficult question: Is it such a bad thing after all?ABOUT THE AUTHOR: Esther Perel is a psychotherapist who specializes in modern-day love, partnership and dating. For over a decade, she has worked with a wide range of couples, counseling them through every variety of emotional difficulty, from betrayal to trust, infidelity to forgiveness. She also works as an organizational consultant, speaks nine languages and hosts the podcast Where Should We Begin? INTRODUCTION: Ask any American in a committed, monogamous relationship, and she'll probably tell you the same thing. Cheating destroys trust. It's the lowest blow you could deliver - the ultimate form of betrayal. And yet, meanwhile, millions of Americans in committed, monogamous relationships continue to cheat. Even if you can find examples of individuals who've remained utterly faithful to their current partners, the number of adult Westerners who've never cheated is low. So are unfaithful partners evil? Or is it perhaps that our prevailing views on infidelity are in need of some revision? These blinks address these and other complex questions, offering real-life examples to give a clearer picture of an often murky subject. This summary also explain -how infidelity threatens identity; -why jealousy isn't all bad; and -that, sometimes, secrecy is the best policy.

Nigeria and the Nation-State

Rethinking Diplomacy with the Postcolonial World
Nigeria, despite being the African country of greatest strategic importance to the United States, remains poorly understood. Leading expert John Campbell explains why Nigeria, projected to have the world's third-highest population by 2050, is so important to understand in a world of jihadi extremism, corruption, oil conflict, and communal violence.

Healing from Infidelity

The Divorce Busting® Guide to Rebuilding Your Marriage After an Affair
"Little compares to the devastation people feel upon discovering their spouse has been unfaithful. Shocked, devastated and overwhelmed, couples often hit stalemates as they struggle to get past intense emotional pain, mistrust, resentment and never-ending arguments about the betrayal. Based on over three decades of experience helping couples recover from betrayal and save their marriages, Weiner-Davis offers a step-by-step program to help readers: - Deal with traumatic feelings after the discovery - Respond to questions about the affair - Talk about intense emotions without arguing - End the affair - Offer apologies that are sincere and healing - Overcome flashbacks and painful memories - Rebuild trust and accountability - Make their marriage stronger than before the affair - Find forgiveness - Reconnect sexually This book is filled with case vignettes of couples whose lives were shattered by betrayal but have eventually recovered and thrived."--Publisher's description.

Getting Past the Affair

A Program to Help You Cope, Heal, and Move On -- Together or Apart *Guilford Press*
Discovering that a partner has been unfaithful hits you like an earthquake. Long after the first jolt, emotional aftershocks can make it difficult to be there for your family, manage your daily life, and think clearly about your options. Whether you want to end the relationship or piece things back together, Getting Past the Affair guides you through the initial trauma so you can understand what happened and why before deciding how to move forward. Based on the only program that's been tested--and proven--to relieve destructive emotions in the wake of infidelity, this compassionate book offers support and expert advice from a team of award-winning couple therapists. If you stay with your spouse, you'll find realistic tips for rebuilding your marriage and restoring trust. But no matter which path you choose, you'll discover effective ways to recover personally, avoid lasting scars, and pursue healthier relationships in the future. Association for Behavioral and Cognitive Therapies (ABCT) Self-Help Book of Merit

EBOOK: Body Psychotherapy McGraw-Hill Education (UK)
"...a well-rooted resource for bodywork courses and a useful introductory text for a broad audience." Caduceus "It's not a big book but it's got a vast amount of information and knowledge in it. ...if you are interested in getting a good overall picture of the subject you couldn't do better." The Fulcrum Body psychotherapy is an holistic therapy which approaches human beings as united bodymind, and offers embodied relationship as its central therapeutic stance. Well-known forms include Reichian Therapy, Bioenergetics, Dance Movement Therapy, Primal Integration and Process Oriented Psychology. This new title examines the growing field of body psychotherapy: Surveys the many forms of body psychotherapy Describes what may happen in body psychotherapy and offers a theoretical account of how this is valuable drawing in current neuroscientific evidence Defines the central concepts of the field, and the unique skills needed by practitioners Accessible and practical,

yet grounded throughout in current research Body Psychotherapy: An Introduction is of interest to practitioners and students of all forms of psychotherapy and counselling, and anyone who wants to understand how mind and body together form a human being.

Rethinking National Identity in the Age of Migration

The Transatlantic Council on Migration *Verlag Bertelsmann Stiftung*
Greater mobility and migration have brought about unprecedented levels of diversity that are transforming communities across the Atlantic in fundamental ways, sparking uncertainty over who the "we" is in a society. As publics fear loss of their national identity and values, the need is greater than ever to reinforce the bonds that tie communities together. Yet, while a consensus may be emerging as to what has not worked well, little thought has been given to developing a new organizing principle for community cohesion. Such a vision needs to smooth divisions between immigration's "winners and losers," blunt extremism, and respond smartly to changing community and national identities. This volume will examine the lessons that can be drawn from various approaches to immigrant integration and managing diversity in North America and Europe. The book delivers recommendations on what policymakers must do to build and reinforce inclusiveness given the realities on each side of the Atlantic. It offers insights into the next generation of policies that can (re)build inclusive societies and bring immigrants and natives together in pursuit of shared futures.

Rethinking Violence

States and Non-state Actors in Conflict *MIT Press*
An original argument about the causes and consequences of political violence and the range of strategies employed.

Rekindling Desire *Routledge*
For over a decade Rekindling Desire has helped to restore and restructure sexuality in thousands of lives. This expanded edition continues the exploration of inhibited sexual desire and no-sex relationships by respected therapist Barry McCarthy, who brings decades of knowledge and the expertise that comes from having treated almost 3,000 couples for sexual problems. Contained within are suggested strategies and exercises that help develop communication and sexual skills, as well as interesting case studies that open the doors to couples’ sexual frustrations. The shame, embarrassment, and hesitancy that individuals feel with themselves, and the resentment and blame they can feel towards their sexual partners, are explored and put into context. Whether you are married, cohabitating, or dating, or if you are 25, 45, or 75, reading this book will help renew your sexual desire and put you on the path towards healthy, pleasure-oriented sexuality.

Rethinking the Age of Emancipation

Comparative and Transnational Perspectives on Gender, Family, and Religion in Italy and Germany, 1800-1918 *Berghahn Books*
Since the end of the nineteenth century, traditional historiography has emphasized the similarities between Italy and Germany as “late nations”, including the parallel roles of “great men” such as Bismarck and Cavour. Rethinking the Age of Emancipation aims at a critical reassessment of the development of these two “late” nations from a new and transnational perspective. Essays by an international and interdisciplinary group of scholars examine the discursive relationships among nationalism, war, and emancipation as well as the ambiguous roles of historical protagonists with competing national, political, and religious loyalties.

The School of Greatness

A Real-World Guide to Living Bigger, Loving Deeper, and Leaving a Legacy *Rodale*
When a career-ending injury left elite athlete and professional football player Lewis Howes out of work and living on his sister’s couch, he decided he needed to make a change for the better. He started by reaching out to people he admired, searching for mentors, and applying his past coaches’ advice from sports to life off the field. Lewis did more than bounce back: He built a multimillion-dollar online business and is now a sought-after business coach, speaker, and podcast host. In The School of Greatness, Howes shares the essential tips and habits he gathered in interviewing “the greats” on his wildly popular podcast of the same name. In discussion with people like Olympic gold medalist Shawn Johnson and Pencils of Promise CEO Adam Braun, Howes figured out that greatness is unearthed and cultivated from within. The masters of greatness are not successful because they got lucky or are innately more talented, but because they applied specific habits and tools to embrace and overcome adversity in their lives. A framework for personal development, The School of Greatness gives you the tools, knowledge, and actionable resources you need to reach your potential. Howes anchors each chapter with a specific lesson he culled from his greatness “professors” and his own experiences to teach you how to create a vision, develop hustle, and use dedication, mindfulness, joy, and love to reach goals. His lessons and practical exercises prove that anyone is capable of achieving success and that we can all strive for greatness in our everyday lives.

Poor Economics

A Radical Rethinking of the Way to Fight Global Poverty *PublicAffairs*
The winners of the Nobel Prize in Economics upend the most common assumptions about how economics works in this gripping and disruptive portrait of how poor people actually live. Why do the poor borrow to save? Why do they miss out on free life-saving immunizations, but pay for unnecessary drugs? In Poor Economics, Abhijit V. Banerjee and Esther Duflo, two award-winning MIT professors, answer these questions based on years of field research from around the world. Called "marvelous, rewarding" by the Wall Street Journal, the book offers a radical rethinking of the economics of poverty and an intimate view of life on 99 cents a day. Poor Economics shows that creating a world without poverty begins with understanding the daily decisions facing the poor.

How to Help Your Spouse Heal from Your Affair

A Compact Manual for the Unfaithful *CreateSpace*
Most unfaithful partners underestimate the breadth and depth of the fallout after infidelity. If you have had an affair but have regrets and hope to save your marriage, don't let another mistake-ridden day go by without reading this book! Or if you are the injured spouse and your unfaithful partner keeps hurting you with his/her attempts to help you feel better in all the wrong ways, put this manual into your spouse's hands, right away. Find out for yourself what the difference is between those who successfully manage to repair and rebuild their marriages into better-than-ever

relationships. This book provides a practical road map for unfaithful spouses who wish to have another chance with their partners. Easy to read, even for the self-help book phobic!

Rethinking Governance

The Centrality of the State in Modern Society *Cambridge University Press*
Several problems plague contemporary thinking about governance. From the multiple definitions that are often vague and confusing, to the assumption that governance strategies, networks and markets represent attempts by weakening states to maintain control. Rethinking Governance questions this view and seeks to clarify how we understand governance. Arguing that it is best understood as 'the strategies used by governments to help govern', the authors counter the view that governments have been decentred. They show that far from receding, states are in fact enhancing their capacity to govern by developing closer ties with non-government sectors. Identifying five 'modes' of government (governance through hierarchy, persuasion, markets and contracts, community engagement, and network associations), Stephen Bell and Andrew Hindmoor use practical examples to explore the strengths and limitations of each. In so doing, they demonstrate how modern states are using a mixture of governance modes to address specific policy problems. This book demonstrates why the argument that states are being 'hollowed out' is overblown.

The Green State

Rethinking Democracy and Sovereignty *MIT Press*
What would constitute a definitively "green" state? In this important new book, Robyn Eckersley explores what it might take to create a green democratic state as an alternative to the classical liberal democratic state, the indiscriminate growth-dependent welfare state, and the neoliberal market-focused state—seeking, she writes, "to navigate between undisciplined political imagination and pessimistic resignation to the status quo." In recent years, most environmental scholars and environmentalists have characterized the sovereign state as ineffectual and have criticized nations for perpetuating ecological destruction. Going consciously against the grain of much current thinking, this book argues that the state is still the preeminent political institution for addressing environmental problems. States remain the gatekeepers of the global order, and greening the state is a necessary step, Eckersley argues, toward greening domestic and international policy and law. The Green State seeks to connect the moral and practical concerns of the environmental movement with contemporary theories about the state, democracy, and justice. Eckersley's proposed "critical political ecology" expands the boundaries of the moral community to include the natural environment in which the human community is embedded. This is the first book to make the vision of a "good" green state explicit, to explore the obstacles to its achievement, and to suggest practical constitutional and multilateral arrangements that could help transform the liberal democratic state into a postliberal green democratic state. Rethinking the state in light of the principles of ecological democracy ultimately casts it in a new role: that of an ecological steward and facilitator of transboundary democracy rather than a selfish actor jealously protecting its territory.

Tiny Beautiful Things

Advice on Love and Life from Dear Sugar *Vintage*
Collects top-selected postings on life and relationships from The Rumpus' popular "Dear Sugar" online column, sharing recommendations on everything from infidelity and grief to marital boredom and financial hardships. Original. 40,000 first printing.

What Makes Love Last?

How to Build Trust and Avoid Betrayal *Simon and Schuster*
"One of the foremost relationship experts at work today applies the insights of science toward understanding the real meaning of trust between a couple. He decodes the "why" behind betrayal and shows how partners can avoid or recover from unfaithfulness and maintain a loving relationship.Dr. John Gottman, the country's pre-eminent researcher on marriage, is famous for his Love Lab at the University of Washington in Seattle where he deciphers the mysteries of human relationships through scientific research. His thirty-five years of exploration have earned him numerous major awards, including from the National Institute of Mental Health, the American Psychological Association, and the American Association for Marriage and Family Therapy. Now, Dr. Gottman offers surprising findings and advice on the characteristic that is at the heart of all relationships: Trust. Dr. Gottman has developed a formula that precisely calculates any couple's loyalty level. The results determine a relationship's likely future, including the potential for one or both partners to stray. A Love You Can Trust shows couples how to bolster their trust level and avoid what Dr. Gottman calls the "Roach Motel for Lovers." He describes how the outcome of--"sliding door moments," small pivotal points between a couple, can lead either to more emotional connection or to discontent. He suggests a new approach to handling adultery and reveals the varied and unexpected non-sexual ways that couples often betray each other. A Love You Can Trust guides couples through an empirically tested, trust-building program that will let them repair and maintain a long-term, intimate, and romantic relationship"--

Rethinking the Good

Moral Ideals and the Nature of Practical Reasoning *Oxford University Press*
In choosing between moral alternatives -- choosing between various forms of ethical action -- we typically make calculations of the following kind: A is better than B; B is better than C; therefore A is better than C. These inferences use the principle of transitivity and are fundamental to many forms of practical and theoretical theorizing, not just in moral and ethical theory but in economics. Indeed they are so common as to be almost invisible. What Larry Temkin's book shows is that, shockingly, if we want to continue making plausible judgments, we cannot continue to make these assumptions. Temkin shows that we are committed to various moral ideals that are, surprisingly, fundamentally incompatible with the idea that "better than" can be transitive. His book develops many examples where value judgments that we accept and find attractive, are incompatible with transitivity. While this might seem to leave two options -- reject transitivity, or reject some of our normative commitments in order to keep it -- Temkin is neutral on which path to follow, only making the case that a choice is necessary, and that the cost either way will be high. Temkin's book is a very original and deeply unsettling work of skeptical philosophy that mounts an important new challenge to contemporary ethics.

Rethinking Chinese Politics *Cambridge University Press*
Understanding Chinese politics has become more important than ever. Some argue that China's

political system is 'institutionalized' or that 'win all/lose all' struggles are a thing of the past, but, Joseph Fewsmith argues, as in all Leninist systems, political power is difficult to pass on from one leader to the next. Indeed, each new leader must deploy whatever resources he has to gain control over critical positions and thus consolidate power. Fewsmith traces four decades of elite politics from Deng to Xi, showing how each leader has built power (or not). He shows how the structure of politics in China has set the stage for intense and sometimes violent intra-elite struggles, shaping a hierarchy in which one person tends to dominate, and, ironically, providing for periods of stability between intervals of contention.

Leave a Cheater, Gain a Life

The Chump Lady's Survival Guide *Running Press Adult*
Leave a Cheater, Gain a Life is a no-nonsense self-help guide for anyone who has ever been cheated on. Here's advice not based on saving your relationship after infidelity—but saving your sanity. When it comes to cheating, a lot of the attention is focused on cheaters—their unmet needs or their challenges with monogamy. But Tracy Schorn (aka Chump Lady) lampoons such blameshifting and puts the focus squarely on the-cheated-upon (chumps) and their needs. Combining solid advice that champions self-respect, along with hilarious cartoons satirizing the pomposity of cheaters, Leave a Cheater, Gain a Life offers a fresh voice for chumps who want (and need) a new message about infidelity. This book will offer advice on Stupid sh*t cheaters say and how to respond, Rookie mistakes of the recently chumped and how to disarm your fears, Why chumps take the blame and how to protect yourself, and more. Full of snark, sass, and real wisdom about how to bounce back after the gut blow of betrayal, Schorn is the friend who guides you through this nightmare and gives you hope for a better life ahead.

Rethinking the World

Great Power Strategies and International Order *Cornell University Press*
Stunning shifts in the worldviews of states mark the modern history of international affairs: how do societies think about—and rethink—international order and security? Japan's "opening," German conquest, American internationalism, Maoist independence, and Gorbachev's "new thinking" molded international conflict and cooperation in their eras. How do we explain such momentous changes in foreign policy—and in other cases their equally surprising absence? The nature of strategic ideas, Jeffrey W. Legro argues, played a critical and overlooked role in these transformations. Big changes in foreign policies are rare because it is difficult for individuals to overcome the inertia of entrenched national mentalities. Doing so depends on a particular nexus of policy expectations, national experience, and ready replacement ideas. In a sweeping comparative history, Legro explores the sources of strategy in the United States and Germany before and after the world wars, in Tokugawa Japan, and in the Soviet Union. He charts the likely future of American primacy and a rising China in the coming century. Rethinking the World tells us when and why we can expect changes in the way states think about the world, why some ideas win out over others, and why some leaders succeed while others fail in redirecting grand strategy.

Summary of Esther Perel's The State of Affairs by Milkyway Media *Milkyway Media*
The State of Affairs: Rethinking Infidelity (2017) by sex and relationship expert Esther Perel is an examination of unfaithfulness in romantic relationships—what it is, why it happens, and how different cultures handle it—as well as an exploration of what affairs can teach all lovers about healthy relationships. Perel takes a non-judgmental approach to the motivations of the cheater and the outside lover, as well as to the contributions of the betrayed partner to the relationship crisis.. Purchase this in-depth summary to learn more.

When Good People Have Affairs

Inside the Hearts & Minds of People in Two Relationships *Macmillan*
A world-renowned therapist, Mira Kirshenbaum has treated thousands of men and women caught in the powerful drama over what to do when an affair reaches into their emotional lives. Now, in When Good People Have Affairs, Kirshenbaum puts her unsurpassed experience into one clear, calming place. She gives readers everything they need to cut through the thickets of fear, hurt and confusion to find their ways to happier, more solid relationships with the person who's right for them. For example, Kirshenbaum identifies seventeen types of affairs, helping readers figure out which type they're in and what it means. Is it a: --"See-if" affair? --Ejector-seat affair? --Distraction affair? --Unmet-needs affair? --Panic affair? Kirshenbaum encourages honest answers to such questions as: --What am I missing in my marriage? --How do I decide between two people when it's like comparing an apple to an orange? --How do I decide to end my marriage, end my affair, or end them both? She leads readers through six easy-to-navigate steps that will take anyone from anxiety to clarity. When Good People Have Affairs will be a lifeline to any man or woman who feels caught between two lovers, and its insights are indispensable to anyone else touched by an affair.

Can Love Last?: The Fate of Romance Over Time *W. W. Norton & Company*
A fascinating look at the key components of romantic love--sex, idealization, aggression, self-pity, guilt, and commitment--argues that romance does not diminish in a long-term relationship, describes the barriers to lasting love, and offers helpful advice on how to promote an enduring love by eliminating self-destructive efforts to protect oneself from its risks. Reprint. 15,000 first printing.

Rethinking World Politics

A Theory of Transnational Neopluralism *Oxford University Press*
Rethinking World Politics is a major intervention into a central debate in international relations: how has globalization transformed world politics? Most work on world politics still presumes the following: in domestic affairs, individual states function as essentially unified entities, and in international affairs, stable nation-states interact with each other. In this scholarship, the state lies at the center; it is what politics is all about. However, Philip Cerny contends that recent experience suggests another process at work: "transnational neopluralism." In the old version of pluralist theory, the state is less a cohesive and unified entity than a varyingly stable amalgam of competing and cross-cutting interest groups that surround and populate it. Cerny explains that contemporary world politics is subject to similar pressures from a wide variety of sub- and supra-national actors, many of which are organized transnationally rather than nationally. In recent years, the ability of transnational governance bodies, NGOs, and transnational firms to shape world politics has steadily grown. Importantly, the rapidly growing transnational linkages among groups and the emergence of increasingly influential, even powerful, cross-border interest and value groups is new. These processes are not replacing nation-states, but they are forging new transnational webs of power. States, he argues, are themselves increasingly trapped in these webs. After mapping out the

dynamics behind contemporary world politics, Cerny closes by prognosticating where this might all lead. Sweeping in its scope, Rethinking World Politics is a landmark work of international relations theory that upends much of our received wisdom about how world politics works and offers us new ways to think about the forces shaping the contemporary world.

The State of Affairs

Explorations in infidelity and Commitment *Psychology Press*
This volume brings together contributions on the study of sexual affairs in committed personal relationships. The editors enlisted colleagues with varied theoretical and methodological perspectives from Britain, the United States, and other countries. Together, their contributions provide a broad, cross-national perspective on affairs. Grounded in theoretical discussion, the chapters in this book introduce data collected by a broad range of methods, including attitude surveys, large statistical cohort studies, case studies, depth interviews, and group discussions. A number of contributors locate the theoretical discussion of affairs within the broader contemporary ordering of committed relationships, contrasting the liberating and empowering aspects of affairs with the damage they may inflict on society as a whole and on the lives of individuals and families. The themes of passion, transgression, secrecy, lies, betrayal, and gossip are common to a range of chapters throughout. The volume provides broad literature reviews and theoretical discussions concerning particular aspects of affairs, such as communication and jealousy. In addition, case studies are used for the more detailed exploration of heterosexual affairs and contemporary developments in gay male and lesbian relationships. The State of Affairs will be of interest to researchers, scholars, and students in social psychology; communication; sociology; family, social, and clinical psychology; and for practitioners in couple counseling.

Erotic Intelligence

Igniting Hot, Healthy Sex While in Recovery from Sex Addiction *Health Communications, Inc.*
ENJOYABLE, EXCITING SEX IS POSSIBLE AFTER SEX ADDICTION In the journey to sexual sobriety, many sex addicts find themselves wondering, 'How am I going to have a normal relationship?' or 'Will it be possible to repair my marriage now that I've confessed my destructive behavior?' and 'Will I ever have great sex again?' As a sex, marriage, and family therapist, Alexandra Katehakis introduces a successful program for sufferers and their loved ones that will help them hone their erotic intelligence by making sense of the past, creating healthy habits in the present, and looking toward a more intimate relationship that nurtures honesty and closeness. With Katehakis's help, sex addicts can get in touch with their healthy sexual side—and embrace true intimacy and acceptance in themselves and in their mates. - Features true stories of people coming to terms with their sexuality on the other side of sex addiction, as well as couples finding a new path to sexual trust and fulfillment - Helps to build the four cornerstones of intimacy that are essential for healthy relationships

State of Affairs *HTJB, Inc.*
The phone call that changed their lives forever... Minutes after Vice President Nick Cappuano and Lt. Sam Holland get the call that President Nelson has been found dead in the residence on Thanksgiving, they're still processing that Nick has been asked to come to the White House to take the oath of office. As they go through the motions to ensure a peaceful transition of power, Sam has a million and one concerns about her husband, her family, the Nelson family, the country and the enormity of what Nick is about to take on. In the back of her mind is another major concern: What does this mean for my job? No other first lady in history has held a job outside the White House, but she's determined to be the first, to blaze new trails for those who will follow her. However, in order to do that, she quickly realizes that compromises will have to be made to continue working as a Homicide detective. Their lives become an immediate firestorm of meetings, requests for interviews, difficult questions from their children and a host of potential landmines to navigate as they make the transition from second family to first family. An unexpected issue with a diplomatic trip to Iran quickly thrusts Nick into the thick of his new responsibilities while Sam confronts a murder investigation that may have ties to a cold case from fifteen years ago. As everything around them spins out of control, Sam and Nick take refuge with each other, relying on their unbreakable bond to see them through the storm.

The Dynamics of States

The Formation and Crises of State Domination *Routledge*
State domination in the non-Western world is hallmarked by its constantly shifting character. This stimulating book develops a new approach to the study of state formation and state erosion to explain dynamics that neither follow the pathways of development nor the rule of stagnation that dependency theory once suggested. Carefully edited by Klaus Schlichte, this book provides a fresh angle to the study of states with an attempt to 'overcome Weber with Weber'. The approach focuses on the historical authenticity of states and their institutional frameworks, describing the trajectories taken as they react to the effects of changes in their international and local social environments. The emphasis laid on the specific characteristics of individual states does not however lead to the theoretical difficulty of a new contextual relativism. The conceptual design employs sociological categories developed by Max Weber, Norbert Elias, Michel Foucault, Pierre Bourdieu and others.

Mind The Gap

The truth about desire and how to futureproof your sex life *Headline Home*
'This book taught me so much about female desire. A must read!' Cherry Healey Did you know that there is an orgasm gap of around 30% between heterosexual couples when they have sex? In Mind The Gap, Dr Karen Gurney, a clinical psychologist and certified psychosexologist, explores not just this gap, but the gaps in our knowledge of so much of the most important new science around sex and desire. In this book, you will learn that nearly everything that you've been led to believe about female sexuality isn't actually true. And that, despite what you might think, it is possible to simultaneously feel little to no spontaneous desire and have a happy and mutually satisfying sex life long term. Exploring the mismatch between ideas about sex in our society and what the science tells us, Mind The Gap also explains how this disconnect lies at the root of many of our sexual problems. Combining science with case studies, practical exercises and tips, this is a book for anyone who wants to better understand the mechanics of desire and futureproof their sex life, for life.

The Dawn of Everything

A New History of Humanity *Farrar, Straus and Giroux*
A dramatically new understanding of human history, challenging our most fundamental assumptions

about social evolution—from the development of agriculture and cities to the origins of the state, democracy, and inequality—and revealing new possibilities for human emancipation. For generations, our remote ancestors have been cast as primitive and childlike—either free and equal innocents, or thuggish and warlike. Civilization, we are told, could be achieved only by sacrificing those original freedoms or, alternatively, by taming our baser instincts. David Graeber and David Wengrow show how such theories first emerged in the eighteenth century as a conservative reaction to powerful critiques of European society posed by Indigenous observers and intellectuals. Revisiting this encounter has startling implications for how we make sense of human history today, including the origins of farming, property, cities, democracy, slavery, and civilization itself. Drawing on pathbreaking research in archaeology and anthropology, the authors show how history becomes a far more interesting place once we learn to throw off our conceptual shackles and perceive what’s really there. If humans did not spend 95 percent of their evolutionary past in tiny bands of hunter-gatherers, what were they doing all that time? If agriculture, and cities, did not mean a plunge into

hierarchy and domination, then what kinds of social and economic organization did they lead to? The answers are often unexpected, and suggest that the course of human history may be less set in stone, and more full of playful, hopeful possibilities, than we tend to assume. The Dawn of Everything fundamentally transforms our understanding of the human past and offers a path toward imagining new forms of freedom, new ways of organizing society. This is a monumental book of formidable intellectual range, animated by curiosity, moral vision, and a faith in the power of direct action. Includes Black-and-White Illustrations

After the Affair *Harper Collins*

After the Affair teaches partners how to heal themselves and grow from the shattering crisis of an infidelity. Drawing on thirty-five years as a clinical psychologist, Dr. Spring offers a series of original and proven strategies that address such questions as: Why did it happen? Once love and trust are gone, can we ever get them back? Can I—should I—recommit when I feel so ambivalent? How do we become sexually intimate again? Is forgiveness possible? What constitutes an affair in cyberspace?
