hey could someone please tell me how to time a new holland 273 baler..? Dave Reeker: Its actually not very hard, at least on the 278. First you have to make sure that the the arm that pushes the plunger in and out of the bale chamber is or is almost straight up in the air. When you are looking in the compartment that houses that arm from the left side of the baler, you should see 2 notches in ...
