A castellan is the title
used in Medieval
Europe for an
appointed official, a
governor of a castle
and its surrounding
territory referred to as
the castellany. The title
of governor is retained
in the English Prison
system, as a remnant
of the medieval idea of

the castellan as head
of the local prison. [1]
The word stems from
the Latin Castellanus,
derived from castellum
'castle'. [2]
