Recipes from the Night Kitchen

A Practical Guide to Spectacular Soups,

Stews, and Chilies*Simon and Schuster*

Mealtime, anytime, nothing could be more satisfying than a bowl of homemade soup. Be it a steaming bowl of Minestrone to take the bite out of a winter day or a delicate Raspberry Lime Soup for sultry summer nights when appetites are flagging, these eighty enticing recipes for soups, stews, and chilies are simple for even the novice cook, and creatively appealing to the experienced chef. Anyone with a deep pot and a ladle can make sumptuous meals of a rich Curried Chicken Stew or a refreshing chilled Breakfast Fruit Soup in about half an hour. From warm, comforting classics like Matzo Ball Soup, New England Clam Chowder, and

Beef Stew to elegant meal openers like Carrot with Ginger Cream or Avocado Gazpacho, there's a taste for every season, a treat for every palate.

Bumble-Ardy *Harper Collins*

Since the publication of his classic *Outside Over There* in 1981, Maurice Sendak's book illustrations have focused on interpreting the texts of such authors as James Marshall, Tony Kushner, Wilhelm Grimm, Ruth Krauss, Herman Melville, and Mother Goose. And beginning in 1980, with his sets and costumes for *The Magic Flute*, Sendak launched a busy second career as the designer of stage productions of opera and ballet. Now comes

Bumble-Ardy, the first book he has written as well as illustrated in thirty years. Bumble-Ardy has evolved from an animated segment for Sesame Street to a glorious picture book about a mischievous pig who reaches the age of nine without ever having a birthday party. But all that changes when Bumble-Ardy throws a party for himself and invites all his friends, leading to a wild masquerade that quickly gets out of hand. In this highly anticipated picture book, Sendak once again explores the exuberance of young children and the unshakable love between parent (in this case, an aunt) and child.

**The Primal Vision of
Maurice Sendak**
Doubleday

An extraordinary, path-
breaking, and
penetrating book on
the life and work and
creative inspirations of
the great children's
book genius Maurice
Sendak, who since his
death in 2012 has only
grown in his stature
and recognition as a
major American artist,
period. Polymath and
master interviewer
Jonathan Cott first
interviewed Maurice
Sendak in 1976 for
Rolling Stone, just at
the time when Outside

Over There, the concluding and by far the strangest volume of a trilogy that began with *Where The Wild Things Are* and *In the Night Kitchen*, was gestating. Over the course of their wide-ranging and revelatory conversation about his life, work, and the fantasies and obsessions that drove his creative process, they focused on many of the themes and images that would appear in the new book five years later. Drawing on that interview, *There's a Mystery* There is a profound examination of the inner workings of a complicated genius's torments and inspirations that ranges over the entirety of his work and his formative life experiences, and uses

Outside Over There, brilliantly and originally, as the key to understanding just what made this extravagantly talented man tick. To gain multiple perspectives on that intricate and multifaceted book, Cott also turns to four "companion guides": a Freudian analyst, a Jungian analyst, an art historian, and Sendak's great friend and admirer, the playwright Tony Kushner. The book is richly illustrated with examples from Sendak's work and other related images.

The Sign on Rosie's Door *Harper Collins*

There was a sign on Rosie's door that said, "If you want to know a secret, knock three times." Kathy, Rosie's good friend, knocked three times and learned the secret—that Rosie was no longer Rosie, but Alinda, the lovely lady singer. Adventures with Alinda were fun for Kathy and Sal and Pudgy and Dolly. Even Lenny, who occasionally didn't believe in Alinda, was delighted by the Fourth of July celebration that Alinda, with the help of the Magic Man, held. At the end of the celebration, Alinda was gone forever, and Rosie had returned, but she soon found something else nice to

be. Maurice Sendak, the well-known artist and author-illustrator of *Kenny's Window* and *Very Far Away*, has written a story of real children, playing as only children know how. Young readers will wish that Alinda lived next door to them.

SHAN HAI JING—A BOOK COVERED WITH BLOOD

The Story Of Developers Of The Catalog Of Human Population *HPA Press*
In essence, this story is about how a certain

person was searching his bookshelf for something to read and in the end found a book, which turned out to be the source, from which it is possible to obtain absolutely any kind of information about absolutely any person. Meaning, information to the smallest particulars and details about what his or her qualities of personality are, how he or she lives, what he or she really wants to achieve, what he or she hides, and much more. And, it does not matter, if the subject is some person, who lived in the distant past or lives in the present or someone, who will live in the future. Since, as it turned out later on, this literary monument is nothing other than the Catalog of human population. In other

words, the encyclopedia of Homo sapiens; in essence, the same as encyclopedias, reference books for specialists, which contain complete information about representatives of a particular subspecies of animals, plants, etc. Although at some point, the course of this story turned banal: "bad guys" from security services, intelligence services, politics decided to not only use this source of knowledge for their dirty deeds, but also to appropriate it solely for their personal use. And, the way they tried to do this is also banal: by physically destroying the author of discovery of the Catalog of human population and all of his colleagues.

However, the ending of this story makes it stand out from the category of ordinary spy stories. At least because the main characters of this story managed to survive not due to favorable concatenation of circumstances or someone's help, but thanks to that knowledge, which they discovered in the ancient text, which turned out to be the Catalog of human population. Of course, such an outcome upset and continues to upset not only the Russian special services, but also all those people in whose way developers of the Catalog of human population got. And, in this civilization, there are countless numbers of such people: from psychologists (who

become no longer needed by anyone) to organizers of this civilization themselves. Since from the standpoint of the Catalog of human population—technogenic civilization without a human, which they lovingly built for many centuries, is simply trash, to put it mildly, and beneath all criticism. And, they themselves are also trash. However, regular people, who (thanks to the scientific discovery made by Andrey Davydov) got the source with answers to all of their questions and individual recipes, now no longer need to pay "experts on the human soul" for being shamelessly fooled. Therefore, whoever tries to kill developers of the Catalog of human population in the future must know that it is no longer possible, as they already became part of history of humanity. After all, at the current stage of development, a Homo sapiens has only one possibility to continue to live after death, to live through the ages: in the product that he/she created. And, those, who tried and continue to try to kill them, were nobodies and will remain nobodies, who one day will cease to exist without leaving a trace. As for organizers of this "civilization"—maybe instead of trying to find new recipes to destroy "excess billions" and trying to examine human potential using Neanderthal methods, it would be more reasonable not only to find out the recipe of

how to make Homo sapiens a 100% controllable producer and consumer from the source (which, by the way, seems to have been left to humanity by creators of nature and a human on this planet), but also how to build a civilization without quotes? After all, it only seems to them that they are the main deceivers, while in reality they were fooled, and fooled majorly.

Presto and Zesto in Limboland *Red Fox*

My Brother's Book *HarperCollins*

Fifty years after *Where the Wild Things Are* was published comes the last book Maurice Sendak completed before his death in May 2012, *My Brother's Book*. With influences

from Shakespeare and William Blake, Sendak pays homage to his late brother, Jack, whom he credited for his passion for writing and drawing. Pairing Sendak's poignant poetry with his exquisite and dramatic artwork, this book redefines what mature readers expect from Maurice Sendak while continuing the lasting legacy he created over his long, illustrious career. Sendak's tribute to his brother is an expression of both grief and love and will resonate with his lifelong fans who may have read his children's books and will be ecstatic to discover something for them now. Pulitzer Prize-winning literary critic and Shakespearean scholar Stephen Greenblatt

contributes a moving introduction.

MALVINA BERTONATI is a chef and owner of a traditional Italian restaurant "Da Malvina" in one of the most popular seaside tourist destinations: Bonassola, right next to the famous Cinque Terre in Liguria, Italy.

She has been cooking with passion for the last 40 years and she received a national award for her tasty, healthy and traditional cuisine. She was knighted for her services to the industry. ALINKA RUTKOWSKA just happened to pass by and fall in love with Malivna's cuisine. She was always very curious about what was going on in the restaurant kitchen but what she heard from Malvina most often was "fuori dalla mia cucina!", meaning "get out of my kitchen!". She obeyed until once she decided that even a complete cooking analphabetic like herself could at least try to replicate the masterpieces being created in Malvina's kitchen. With a pen,

paper, camera and Malvina's blessing she compiled the amazing recipes and over 300 photographs into this book.

Karl's Story
Createspace

Independent Publishing Platform

With an uncanny relevance to today's world and inspired by the life of its author, Karl's Story, is a WW II child refugee's tale of resilience, hope and courage as told through the narrative of her beloved teddy bear, Karl. A story perfect for all ages: read to children by parents, grandparents and teachers alike. It has been read many times to middle elementary grades. A book to be handed down from parent to child to child for generations to come. Karl, "a very old teddy bear," has a magic gift- he can tell stories to children who are still young enough to understand toy talk. Karl's Story begins in Europe. It's about Karl,

the young girl Karin, and Mimi the mind reading cat, ... how the three friends experience and survive WW II and then escape from communism to a new and hope-filled life with his beloved friend Karin .Their journey, their story, enchants children but in the sense of *The Little Prince* speaks timelessly to adults as well . *Karl's Story* tells of European refugees and is as relevant today as then. The chaos of the time turned the world of the three friends upside down, slowly at first, from no more whipped cream at birthday parties to ever more frequent air raids, crashing bombs, and a harrowing train ride, with Karl and Mimi stuffed in Karin's old wicker trunk. In the

journey Karin loses all she ever knew or loved, but goes on to rebuild her world in America. The book is categorized as Children's Fiction because of its charming cover and talking stuffed animals but is inspirational to young and old alike, and a perfect antidote in these still troubled times; this is indeed a book for all.

Spice and Little Sugar *M&M Ink*

Having a little sister isn't always a picnic. Older sisters may feel jealous of the time taken away from them, the toys they have to share, and the attention focused on the youngest member of their family. Getting along is often a day-to-day battle, but what can parents do to

make this situation easier and to help children realize how special it is to have a sister? In *Spice & Little Sugar*, the delightful new children's book about sibling rivalry, authors Megan Waldrep and Melissa Nelson show big sisters the big benefits, responsibilities, and absolute joys of their role. Told in a whimsical rhyme that children will love to read aloud, *Spice & Little Sugar* first humorously relates all the ways Little Sugar gets on Spice's nerves, from grabbing her favorite toys to sticking to her like glue when Spice wants to be left alone. But gradually Spice comes to realize that Little Sugar does have her good points, including sticking up for her when she gets

in trouble with their parents and saving the day with her cute face. Parents will love the warm, gentle lessons the book teaches about understanding how positives can outweigh negatives, and kids will laugh at the playful illustrations and funny story. The perfect book for siblings, *Spice & Little Sugar* can be read and enjoyed by the whole family, time and time again.

The adventure of a lifetime is only one click away! Sid Cooper, a fifth grade history buff, gets the chance of a lifetime to visit the Taj Mahal in the enchanted land of India. After a setback and a change in plans, Sid and his friend Raj are magically transported... 350 years into the past, to when the monument was still being built. Things get crazier when they encounter Emperor Shah Jahan, who is furious because precious gems crucial to the completion of the Taj Mahal are missing. The excitement of actually becoming a part of history fuels their sense of adventure and they decide to find the

gem thief, but there's just one problem. Even if Sid and Raj find the missing gems needed to complete the Taj, how will they get back to the present? In *Missing Gems of the Taj Mahal*, author Lyndon Cerejo transports young readers on a magical journey. The sights and sounds of ancient India come alive in a beautiful tapestry that both educates and entertains. They can follow along as Sid and Raj try to save history - and themselves - while learning all about the history of the Taj Mahal, as well as the efforts to preserve this wonder of the modern world. Aside from fascinating recent pictures, Sid's journey comes to life with beautiful illustrations by fifth grader Ananya

Chopra. She's a lot like Sid - friendly, adventurous, and unwilling to let anything stop her from pursuing her dreams. Your young reader will feel the same way after reading this book. And as the first book in the Mysteries in History series, they can learn about the Taj Mahal and one of the oldest civilizations on Earth before taking a journey across the globe in future books. So let your child open their minds and their hearts to this exciting tale... as a magical land of adventure awaits.

She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what

he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

Psychoanalytic Responses to Children's Literature

McFarland

With the growing emphasis on theory in literary studies, psychoanalytic criticism is making notable contributions to literary interpretation. Sixteen chapters in this work explore the psychological subtexts of such important children's books as Carlo Collodi's *Pinocchio*, Roald Dahl's *James and the Giant Peach*, Kenneth Grahame's *The Wind in the Willows*, Louise Fitzhugh's *Harriet the Spy*, Mark Twain's *The Prince and the Pauper*, and E.B. White's *Charlotte's Web*. Drawing on the ideas

of such psychoanalytic theorists as Sigmund Freud, Alice Miller, D.W. Winnicott and Jacques Lacan, it analyzes the psychological development of characters, examines reader responses, and studies the lives of authors and illustrators such as Beatrix Potter and Jessie Willcox Smith.
