Grade 6 English Language Arts Practice Test

There are many concepts that first appear in the 6th grade language arts curriculum. 6th graders are making a bit of leap into unknown territory. Rather than reading into inferences, we expect students at this level to make their own inferences and back them up with a traceable and well

documented argument. Where before we were looking for students to state their opinions at the 6th grade level we want to only hear validated facts. 6th Grade Language Worksheets
