Porsche 944: History, Changes, Specifications

1986 PORSCHE 944 Turbo. Background. The Porsche 944 was introduced in 1982. Based on the existing Porsche 924 chassis, they became famous for their handling, rather than the performance they offered; while the 2.5-litre four-cylinder engine of the early cars was an eerily smooth engine for an inline four thanks to the innovative use of two counter-rotating balance shafts, no-one ever got out of one - not even the turbocharged version that ...
