Amazon.com: Customer reviews: The Gum Thief: A Novel

Douglas Coupland's previous effort had me wondering if the spark was gone from his writing, but I was wrong. The Gum Thief has the elements I like best about Microserfs and Generation X: populated with characters you recognize from day to day life and told in a unconventional yet comprehensible way. An excellent choice for commuters.

The Gum Thief is up there with the very best of Doug Coupland's work (which means at least as good as Generation X and JPod). It's wonderfully sustaining, despite the very humdrum setting of a Staples superstore in small town America. And the story within a story (Roger's magnum horribilis 'Glove Pond') is as ingenious as it is enthralling.
