02: Personal Learning Plan The aim of this module is to create a plan for an individual's learning based on the requirements of the job and taking into account the individual's needs. The plan

will show the training and the support that the individual will receive to help them carry out the responsibilities and fulfil the training requirements for their role.

02: Personal Learning Plan - The Scout Association

Effective personal development is about

being proactive and engaged. So, take advantage of the learning culture that your organization offers – or, if there is none, create your own opportunities. A SMART Personal Learning Plan (PLP), making full use of mentoring and networking opportunities, will help you to achieve your work-based goals.
