**disconnecting with
social networking
sites**

Social media has
become our primary
form of
communication. It's

easier and more
convenient to look
someone up on
Facebook than
physically stay in touch
with him or her or
calling on the phone.
Facebook has replaced
this need to catch up
with old friends or
meet up for coffee,
because their entire
life stories are literally
posted in front of our
faces, to the point
where it becomes hard
to miss.
