Helpful Expert Reply: The first thing you will need to flat tow your 2002 Ford Escape would be a base plate kit. For that I

recommend the Roadmaster base plate kit part # 481-3. This will provide the connection point from your vehicle to the tow bar. The Roadmaster Falcon # RM-520 you referenced would work as a compatible tow bar, but for a nicer tow bar with more features that would make your flat towing experience much easier I would recommend the Sterling # RM-576.
