Light is an important gameplay aspect of The Forest. While the peninsula is mostly illuminated during the day due to bright sunlight, after the sun has set or if the player decides to venture into the caves, the need for man-made light becomes clear. Cannibals and mutants spot lit light sources in the night and will approach them to investigate. While cannibals are afraid of fire and will therefore keep their distance to open fires, mutants are not.

The Light Forest is the southern region of the large forest in Gavel. It is an enchanting beacon of light which is untainted by the decay that plagues it's gloomy counterparts, the Dark and Kander Forests. However, it has been hinted at that what's left of the Light Forest may not survive if greed and decay continue to prosper in Gavel, and it will eventually succumb to the decay if nothing is done to prevent it.
