Wizard of the Grove Jabberwocky Literary Agency, Inc.

Together in one volume, the WIZARD OF THE GROVE duology contains Tanya Huff's first two novels, CHILD OF THE GROVE and THE LAST WIZARD. CHILD OF THE GROVE In a far-ago age, wizards ruled the world with a power so dark even the Elder races feared them. But when their power caused them to unleash dragons from the depths of the earth itself, they were undone by their own hand, thus freeing the world. Or so it was thought. For now, after many years of hard-won peace, the human kingdom of Ardhan is under threat from the dread king of Melac. Yet the real danger is the king's counselor, Kraydak—a wizard who survived the slaughter of his kind and has waited until now to rise to power once again. But the world will not be as easy to vanquish this time. For the royal family of Ardhan is no longer merely made of men. They have blended their destiny with the immortals who dwell in the Sacred Grove—a place untouched by darkness or death. And it will fall to the youngest of that enchanted bloodline to stand against the coming. Her name is Crystal. And she is the one thing in the world Kraydak fears... A wizard. THE LAST WIZARD Crystal was born of a bloodline both mortal and magical, raised to one day become a wizard and to defeat a long-hidden evil that threatened the realm of Ardhan. Through many dangerous adventures and lethal deceptions, she was finally victorious. And peace was at hand. Yet it was not so for Crystal. As the last living wizard, she soon found herself living a life without meaning. For while the people of Ardhan prospered in the world she had delivered, Crystal—with her still-growing powers—could find little solace. She was alone. Then, by chance, she saved a mortal life with her gift, re-igniting her bonds with humanity and inspiring her to undertake a new quest—to find a long-hidden treasure unlike any other. A hidden cache of magical forces that only she can control or destroy. But the prize she seeks just might do the same to her...

The twins set off on a quest to discover the truth of their parents' lives. Along the way they find secrets, lies, magic, time travel, strange new friends, stranger new enemies, and a really weird dirigible (which, they're told repeatedly, is not a blimp). The Wizard and the Prophet

Two Remarkable Scientists and Their Dueling Visions to Shape Tomorrow's World *Vintage*
"In forty years, Earth's population will reach ten billion. Can our world support that? What kind of world will it be? Those answering these questions generally fall into two deeply divided groups- Wizards and Prophets, as Charles Mann calls them in this balanced, authoritative, nonpolemical new book. The Prophets, he explains, follow William Vogt, a founding environmentalist who believed that in using more than our planet has to give, our prosperity will lead us to ruin. Cut back! was his mantra. Otherwise everyone will lose! The Wizards are the heirs of Norman Borlaug, whose research, in effect, wrangled the world in service to our species to produce modern high-yield crops that then saved millions from starvation. Innovate! was Borlaug's cry. Only in that way can everyone win! Mann delves into these diverging viewpoints to assess the four great challenges humanity faces- food, water, energy, climate change-grounding each in historical context and weighing the options for the future. The Story of Rodney Mann *Createspace Independent Publishing Platform*

"You couldn't make it through all 24 hours of my best day." There are a few different medical names for what he's got, but everybody that has it knows it as the Suicide Disease. When I first met him, he was running out of reasons to call it anything else. For the next seven months, we talked, and wrote this. Rodney seemed to have everything: he had been a Navy SEAL; he had a six figure job as the General Manager of a prestigious restaurant; and he had Jenn, his beautiful fiance. Little did he know that one fall, one simple fall, would change his entire life. Everything good was about to disappear. This is the real life story of a remarkable man who suffers daily with the unbearable pain of Complex Regional Pain Syndrome. Meet Rodney Mann."
