Don't You Dare Get Married Until You Read This!

The Book of Questions for Couples *Harmony*

The Book to Read Before You Say "I Do" If you're headed for the altar -- or you're in a serious relationship that could lead to marriage -- you probably already know that issues like love, sex, money, religion, kids, in-laws, and even who has to walk the dog can become potential landmines if you and your partner don't discuss your feelings openly before you take the plunge. Now, Corey Donaldson has put together more than 500 questions -- ranging from playful to provocative -- designed to get you and your partner talking frankly and communicating effectively before you walk down the aisle. Donaldson covers hot topics such as: * Does it matter to you who earns most of the money? * What does my family do that annoys you? * What is the difference, for you, between love and romance? * What place do you believe religion has in the world? * How long do you want to wait before having children? * If I wanted to move away from our families for work, would you support me? * Who cleans the

house? Perfect for couples in the midst of planning their nuptials, a duo considering "I do," or even partners in established relationships who just want to get to know each other again, *Don't You Dare Get Married Until You Read This!* is a must-have for anyone who wants to make their marriage last.

1001 conversation-savers for any situation *Sphere*

THE FUNNIEST BOOK OF THE YEAR. GUARANTEED TO TURN AN AWKWARD SILENCE INTO AN AWKWARD CONVERSATION. 'Ridiculously funny and (unexpectedly) genuinely useful' ADAM KAY 'A perfect way to pretend you're interested in people you're not that interested in' KATHY BURKE 'Most of this book is pointless filth, all of it is hilarious, and my answer to question 715(a) is "Yes thank you and it was very tasty"' DAWN FRENCH If you had to wear

somebody's guts for garters - if you had to - who would you disembowel in order to facilitate your socks staying up? What do you consider your median achievement? Would you rather have pubic hair made of unremovable barbed wire or to be attacked by a rabid badger in your sleep once a week? We've all been there. Stuck at a boring family party, on an awkward date, in a below-par job interview, or any number of other situations in which conversation has become more of a trickle than a flow. Well, fear the excruciation no more, as Richard Herring's **EMERGENCY QUESTIONS** is about to change your life. Containing 1,001 conversation starters from one of our most cherished comedians, along with plenty of answers from the many household names who've appeared on his podcast, this book is virtually guaranteed to remove any social anxiety from your life, and will raise your repartee-game to new heights. 'Of all the clever people I know, Richard is the stupidest. And of all the stupid people I know, Richard is the cleverest. That's why this is such a brilliant book for everyone' RICHARD OSMAN 'Perhaps if Michael Parkinson had asked Mohammad Ali if he'd ever seen a Bigfoot he might be remembered as a great interviewer. Instead it is Richard Herring who has perfected the art of creating funny, interesting and offensive questions that will supercharge even the dullest encounter' ADAM BUXTON 'Richard Herring bullied me into claiming this book, which I haven't yet read, is brilliant' CHARLIE BROOKER

101 Things I Wish I Knew When I Got Married

Simple Lessons to Make Love Last
New World Library

With the divorce rate soaring at a dizzying 60 percent, young couples and experienced partners may lack the skills and understanding to sustain a committed relationship. Linda and Charlie Bloom present 101 nuggets of wisdom that deliver practical guidance and make it clear that regardless of past experience anyone can develop the basic strengths, skills, and capacities needed for a great relationship. Each lesson is presented as a simple, one-sentence thought followed by an explanation using real-life examples. This book demonstrates how couples can enrich their own relationships by working through love's challenges.

The Book of Questions

Revised and Updated *Workman Publishing*

The phenomenon returns! Originally published in 1987, *The Book of Questions*, a New York Times bestseller, has been completely revised and updated to incorporate the myriad cultural shifts and hot-button issues of the past twenty-five years, making it current and even more appealing. This is a book for personal growth, a tool for deepening relationships, a lively conversation starter for the family dinner table, a fun way to pass the time in the car. It poses over 300 questions that invite people to explore the most fascinating of subjects: themselves and how they really feel about the world. The revised edition includes more than 100 all-new questions that delve into such topics as the disappearing border between man and machine—How would you react if you learned that a sad and beautiful poem that touched you deeply had been written by a computer? The challenges of being a parent—Would you

completely rewrite your child's college-application essays if it would help him get into a better school? The never-endingly interesting topic of sex—Would you be willing to give up sex for a year if you knew it would give you a much deeper sense of peace than you now have? And of course the meaning of it all—If you were handed an envelope with the date of your death inside, and you knew you could do nothing to alter your fate, would you look? The Book of Questions may be the only publication that challenges—and even changes—the way you view the world, without offering a single opinion of its own.

Effective Directors

The Right Questions to Ask (QTA) *Routledge*

The ebook will be Open Access and

made available on publication. Being a good board member is not about knowing everything; it is about asking the right questions and challenging appropriately. *Effective Directors: The Right Questions To Ask (QTA)* is a reference book for board members and executives globally to support them in their work. With chapters written by senior company board members and respected figures in corporate governance, the questions have been drawn together to offer food for thought and useful prompts that take boards beyond operational discussions. The book clearly presents key areas to be considered by the board (there are over 50 in total) and range from board composition, to data security, diversity and inclusion, and succession planning. The questions are ones that boards, in any organisation, should be asking themselves, their fellow board members, service providers, executives, and other stakeholders to ensure that the right issues are raised, transparency and effective oversight are achieved, and the board is fulfilling its role in governing the organisation. In addition to being invaluable for board members, the book is also a very useful tool for executives in understanding the kind of questions their board members are likely to ask, and the kind of questions that should be asked and discussed in the boardroom.

Think Again

The Power of Knowing What You Don't Know *Penguin*

#1 New York Times Bestseller "THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In *Think Again*, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I've never felt so hopeful about what I don't know." —Brené Brown, Ph.D., #1 New York Times bestselling author of *Dare to Lead* The bestselling author of *Give and Take*

and *Originals* examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life. Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an

international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. Think Again reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

1001 Stupid Questions Atheists Ask Christians *CreateSpace*

Atheists pose some of the most ridiculous and annoying questions imaginable: Does the Christian God already know if the world is going to end by human hands or natural causes? Does the Christian God know the exact date and time the sun will die? If a boy gets hit by a meteorite next week, wouldn't the Christian God have known about its trajectory for millions of years and yet failed to move the boy 10 feet out of the way? If every human on Earth died, would the Christian God continue to keep Saturn orbiting the sun? _____ More of a debate primer than a literary work of scholarship, this book gets into the mind of the atheist by revealing the absurdity of their faulty logic and tactics in their attack on Christianity. Formatted in an easily digestible list of questions, paraphrased from real-life atheist dialog across the web, this work is not only amusing, but also informative. With this book, Christians now have the ammunition to defend Faith with a secret preview of the arguments that comprise the outlandish philosophy of atheism.

SPIN® -Selling *Routledge*

True or false? In selling high-value products or services: 'closing' increases your chance of success; it is essential to describe the benefits of your product or service to the customer; objection handling is an important skill; open questions are more effective than closed questions. All false, says this provocative book. Neil Rackham and his team studied more than 35,000 sales calls made by 10,000 sales people in 23 countries over 12 years. Their findings revealed that many of the methods developed for selling low-value goods just don't work for major sales. Rackham

went on to introduce his SPIN-Selling method. SPIN describes the whole selling process: Situation questions Problem questions Implication questions Need-payoff questions SPIN-Selling provides you with a set of simple and practical techniques which have been tried in many of today's leading companies with dramatic improvements to their sales performance.

101 Questions You Need to Ask in Your Twenties

(And Let's Be Honest, Your Thirties Too) *Moody Publishers*

Adulting got you down? Whether you just

polished off your college graduation cake, are in your twenties or thirties struggling through a quarter-life crisis, you're simply trying to figure out how to become all grown up, or you're a parent looking for that perfect college graduation gift or Christmas gift for your twentysomething, *101 Questions You Need to Ask in Your Twenties* is the book for you. To find important life answers in your 20s, you need to start with good questions. Author, speaker, and blogger Paul Angone has dedicated the last 12 years to helping twentysomethings and in this book he culminates his work to give readers wisdom through major life questions like: What's the best way to know if you're actually ready to get married? Where's the future of work headed and what does having a successful career look like today? How do I make a choice when I don't know what to choose? How do I stop networking and start "relationshiping"? Why do some people have great marriages while others have complete wrecks before they even make it to the highway? Am I seeing the other side of people's Instagram photos (you know, the side they're not exactly posting pictures of)? What are the Pivotal Plot Points of my story? Do I have anyone on my "Dream Team"? After his success with *101 Secrets for your Twenties* and connecting with millions of twentysomethings around the world through speaking engagements and his blog *AllGroanUp.com*, Paul Angone captures the hilarious, freakishly-accurate assessment of life as a modern-day twentysomething (and thirtysomething) facing real Millennial problems, but now he's digging even deeper. If you're drowning your anxieties in Netflix and ice cream, are afraid you're failing, going crazy, or both, or

are just longing for a little guidance to get past "just getting by," grab this book and start thriving in the most "defining decade" of your life.

We've been taught that silence will save us. Where I come from, we keep these stories to ourselves. To tell them to the outside world is unheard of—dangerous,

the ultimate shame.” Palestine, 1990. Seventeen-year-old Isra prefers reading books to entertaining the suitors her father has chosen for her. Over the course of a week, the naïve and dreamy girl finds herself quickly betrothed and married, and is soon living in Brooklyn. There Isra struggles to adapt to the expectations of her oppressive mother-in-law Fareeda and strange new husband Adam, a pressure that intensifies as she begins to have children—four daughters instead of the sons Fareeda tells Isra she must bear. Brooklyn, 2008. Eighteen-year-old Deya, Isra’s oldest daughter, must meet with potential husbands at her grandmother Fareeda’s insistence, though her only desire is to go to college. Deya can’t help but wonder if her options would have been different had her parents survived the car crash that killed them when Deya was only eight. But her grandmother is firm on the matter: the only way to secure a worthy future for Deya is through marriage to the right man. But fate has a will of its own, and soon Deya will find herself on an unexpected path that leads her to shocking truths about her family—knowledge that will force her to question everything she thought she knew about her parents, the past, and her own future.
