Review: VIII by HM Castor - Kirsty at The Overflowing Library

VIII by Harriet Mary Castor This is a dark re-imagining of the story of young Henry VIII, who comes to the throne of England at the age of seventeen. As a young man, Henry was considered virtuous, a devout Catholic, well educated and a skilled warrior.

LibrisNotes: VIII by Harriet Mary Castor

British historian Castor chooses a well-rehearsed period of history to re-examine what made the Tudor monarch tick from a new perspective. The tale of Henry VIII's meteoric rise to supreme power is told in the first person, present tense, providing a credible analysis of Henry's character as it evolved from innocent child to the charismatic brutal warrior that stares out from Holbein's portrait.
