A shoulder to cry on *Gramedia Pustaka Utama*

"Damar tahu sejak awal apa yang dilaluinya salah. Berjuang untuk hidup bersama adiknya setelah kedua orangtua mereka bercerai membuat Damar terpaksa menentukan pilihan yang salah dalam hidupnya. Pilihan yang baru terasa benar-benar salah setelah ia bertemu dengan Imelda, seseorang yang seharusnya tidak pernah ia cintai karena ia merasa tidak pernah layak merasakan cinta. Andai rasa cinta bisa dengan mudah diredam dan dihentikan, tentu Damar akan memilih hidup tanpa perasaan itu. Sayang itu tidak semudah yang dibayangkannya, di tengah perjuangannya untuk melindungi adiknya, Danu, dan seorang gadis malang bernama Anka, yang belakangan mulai disayanginya. Damar harus tetap menyisakan sedikit ruang dalam hatinya untuk merasakan sakit, saat cinta perlahan-lahan menyadarkannya bahwa ia tidak pantas menerima dan memberikan cinta. Di saat cinta tidak dapat tergapai dengan sempurna, di saat harapan seketika sirna, mungkinkah penyesalan masih tetap berguna? " uot;"

Merle Haggard

Poet of the Common Man : the Lyrics *Hal Leonard Corporation*

Merle Haggard is known as "the poet of the common man." His songs are some of the most important and influential in the history of country music, on par with the likes of those by Jimmie Rodgers and Hank Williams. Through a life as tumultuous as his music, scarred by struggles with inner demons, incarceration and addiction - all of which he has brutally and directly confronted through his lyrics - Haggard has emerged with an American songbook that captures the rough side of life with an unblinking eye gazing on the workings of the human heart. This collection comes on the heels of his acclaimed album *If I Could Only Fly*, his first new studio album in four years, which finds the former wildman coping with aging, taking on familial responsibilities, and learning to appreciate the wonders of home life versus the pitfalls of the highway. Haggard's lyrics demonstrate why this acclaimed member of the Country Music Hall of Fame is a legend who will live forever.

Body Language from Head to Toe

Expressions, idioms, slang, and quotes related to body parts *Strategic Book Publishing & Rights Agency*

Written by a physician, *Body Language - from Head to Toe* is a "dictionary" of American idioms and other expressions that contain the name of a body part. The use of body part-related expressions is both interesting and fun. This book contains about 2,000 such idioms, words, and expressions, such as "with the back against the wall," "brainstorming," "sweet tooth," and "tongue in cheek." Says author Per-Olof Hasselgren, "As a surgeon, I understand the importance of anatomy and the knowledge of organs and tissues. This book reflects my longstanding interest in idioms and other expressions referring to body parts, and it 'connects' anatomy with the spoken and written language." This book was written for three main reasons. First, anatomy matters, particularly in surgery. During the last several years, collecting such expressions became a hobby for the author. Second, as someone moving to this country from another part of the world, Dr. Hasselgren is interested in the peculiarities of the American language. Idioms, slang, and other expressions are specific for any given language and quite often cannot be directly translated. Third, when one starts to be aware of them, written and spoken body language can become quite entertaining.

Here, in first-person detail, are responses to the issues faced by alcoholics, addicts, and their loved ones, such as: · How to intervene with a substance-abusing friend · How alcoholics can protect themselves from relapses · Evaluating therapies, both individual and group · How alcohol affects sex · Definitions of "social drinker," "heavy drinker," and alcoholic · The many faces of denial · Is alcoholism inherited? · How to choose the right rehab · Is there an addictive personality? · What role does spirituality play in recovery? Big Girls Don't Cry, But We Do *Xlibris Corporation*

"Big Girls Don't Cry, But We Do" is a book that will teach women and girls alike all over the world to encourage themselves in tough times. Women should not see crying as a negative or shameful thing, but to learn from the lessons that each tear has taught them. God has given women tears as a way to express her joy, sorrow, pain, disappointment, love, loneliness, grief and even pride which often comes before a fall. According to Psalm 30:5, "Weeping may endure for a night, but joy will come in the morning". God tells us that our sorrow will come, but it will not remain with us for long. There are many characters in the bible like Ruth and Ester who had to suffer, but great were their rewards in the end. Ruth was poor and left her country to follow her mother-in-law, however, she was faithful and God blessed her with a Spiritual and not to mention, rich husband who was a good provider. Likewise, Ester, a Jewish mother-less girl, was obedient to God and became a highly respected queen. I am sure that these women shared some tears of sorrow for a season; in the end they shared tears of joy. I want to encourage you, not to give up on your dreams or your goals because if you have faith the sides of a mustard seed, you will become winners in the end!
