Unfinished Journey by Yehudi Menuhin - Goodreads
This popular classic text chronicles America's roller-coaster journey through the decades since World War II. Considering both the paradoxes and the possibilities of post-war America, Chafe portrays the significant cultural and political themes that have colored our country's past and present, including issues of race, class, gender, foreign policy, and economic and social reform.

The Unfinished Journey: America Since World War II ...
Chafe is a very engaging writer, but The Unfinished Journey's historically-questionable statements, selective topicality, and blatant progressivism are all hindrances to the work's purportedly honest attempts to accurately chronicle post-World War II America's domestic and foreign fronts. An uneven journey, to say the least.
