The Journey That Saved Curious George

The True Wartime Escape of Margret and H.A. Rey
Houghton Mifflin Harcourt

In 1940, Hans and Margret Rey fled their Paris home as the German army advanced. They began their harrowing journey on bicycles, pedaling to Southern France with children's book manuscripts among their few possessions. Louise Borden combed primary resources, including Hans Rey's pocket diaries, to tell this dramatic true story. Archival materials introduce readers to the world of Hans and Margret Rey while Allan Drummond dramatically and colorfully illustrates their wartime trek to a new home. Follow the Rey's amazing story in this unique large format book that resembles a travel journal and includes full-color illustrations, original photos, actual

ticket stubs and more. A perfect book for Curious George fans of all ages.

Curious George**
HarperCollins

It's the first day of Ramadan, and George is celebrating with his friend Kareem and his family. George helps Kareem with his first fast and joins in the evening celebration of tasting treats and enjoying a special meal. Then, George helps make gift baskets to donate to the needy, and watches for the crescent moon with the man in the yellow hat. Finally George joins in the Eid festivities to mark the end of his very first Ramadan. This playful tabbed board book, with a foil-stamped cover, makes a great holiday gift for all fans of Curious George—those who celebrate Ramadan, and those who are learning about it for the first time!

Curious George Takes a Train

Houghton Mifflin Harcourt

At the train station, it's up to lovable monkey George to save the day! Curious George heads to the train station to take a trip with the man with the yellow hat. But when he tries to help out the station master, he gets himself into trouble. George finds himself a hiding place—only to discover that his help is really needed when a little boy's toy train is about to fall onto the tracks... "The only predictable thing about that dynamic monkey, Curious George, is his unpredictability."—The New York Times

Curious George Tadpole Trouble (CGTV 8x8)

Houghton Mifflin Harcourt

Curious George's friend Bill has put him in charge of several tadpoles. George sends the tadpoles for a nice swim in the lagoon, but to his dismay, the tadpoles don't return! Each time he goes back to the lake he tries to find the tadpoles, but he finds only tadpole-like creatures without tails . . . and with legs. A trip to the museum teaches George about the development of tadpoles into frogs, and he and Bill are happy to make the acquaintance of their new froggy friends!

Curious George Learns to Count from 1 to 100

Houghton Mifflin Harcourt

Curious George is a good little monkey, and always very curious.

Now George is curious about numbers. Counting from 1 to 10 is easy, but can he count all the way to 100? George has picked the perfect day to try. It's his town's 100th birthday today and everyone is coming out to celebrate! With the help of his friend, the man with the yellow hat, George learns to count from 1 to 100, making his usual monkey mischief along the way. Young minds (and little fingers) will find all kinds of wonderful things to count as they turn each colorful page. In this large format, paper-over-board book each page features familiar objects for children to count. From home (toys, shoes, plates) to the park (bugs, sticks, clouds) to

school (paste, crayons, books) George finds many different things to count. A perfect book for celebrating counting, numbers and the 100th day of school.

The Education of an Idealist

A Memoir
HarperCollins

A NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER An intimate, powerful, and galvanizing memoir by Pulitzer Prize winner, human rights advocate, and former US Ambassador to the

UN Samantha Power. Named one of the best books of the year: The New York Times • National Public Radio • Time • The Economist • The Washington Post • Vanity Fair • Christian Science Monitor • Publishers Weekly • Audible “Her highly personal and reflective memoir . . . is a must-read for anyone who cares about our role in a changing world.”—President Barack Obama Includes an updated afterword Tracing her distinctly American journey from immigrant to war correspondent to presidential Cabinet official, Samantha Power’s acclaimed memoir is a unique blend of suspenseful storytelling, vivid character portraits, and shrewd political

insight. After her critiques of US foreign policy caught the eye of Senator Barack Obama, he invited her to work with him on Capitol Hill and then on his presidential campaign. When Obama won the presidency, Power went from being an activist outsider to serving as his human rights adviser and, in 2013, becoming the youngest-ever US Ambassador to the United Nations. Power transports us from her childhood in Dublin to the streets of war-torn Bosnia to the White House Situation Room and the world of high-stakes diplomacy, offering a compelling and deeply honest look at navigating the halls of power while trying to put one’s ideals into practice. Along the

way, she lays bare the searing battles and defining moments of her life, shows how she juggled the demands of a 24/7 national security job with raising two young children, and makes the case for how we each can advance the cause of human dignity. This is an unforgettable account of the power of idealism—and of one person's fierce determination to make a difference. "This is a wonderful book. [...] The interweaving of Power's personal story, family story, diplomatic history and moral arguments is executed

seamlessly and with unblinking honesty."—THOMAS L. FRIEDMAN, *The New York Times Book Review* "Truly engrossing...A pleasure to read."—RACHEL MADDOW "A beautiful memoir about the times we're living in and the questions we must ask ourselves...I honestly couldn't put it down." —CHERYL STRAYED, author of *Wild* "Power's compelling memoir provides critically important insights we should all understand as we face some of the most vexing issues of our time." —BRYAN STEVENSON, author of *Just Mercy*
